Editions of Problems in Modern Latin American History ...

This edition includes an added final chapter on current social

movements to help students reflect on the ecological realities that inform their world. In addition, the “Legacies of Colonialism” chapter has been restored to give students an understanding of the deep roots of the problems explored. Instead of a separate chapter on women and social change, women’s voices have been woven more seamlessly throughout the book to reflect women’s parity and equity in history.
