Robert And James Adam Architects

Information. When talking about ‘Georgian architecture’ the buildings designed by Robert Adam (1728–1792) are among the first that come to mind. The Adam brothers, Robert and James (1732–1794), were born in Kirkcaldy, Fife, the sons of Scotland’s most famous architect William Adam (1689–1748). They were architects, builders, designers and developers, as well as suppliers of building materials.

The works in architecture of Robert and James Adam - The ...

During the second half of the eighteenth century British architecture moved away from the dominant school of classicism in favour of a more creative freedom of expression. At the forefront of this change were architect brothers Robert and James Adam. Kondo’s work places them within the context of eighteenth-century intellectual thought.
