Cuban, L. (1988). The Managerial Imperative and the ...

The introduction presents the argument of the book: that schools as presently organized press teachers, principals, and superintendents toward managing rather than leading, and that this managerial imperative largely precludes significant change in the status quo. Part 1, "The Crucible," describes the three conflicting images of teaching and administering from the earliest days of both occupations to the present: political, managerial, and instructional.

Managerial Discretion: An Imperative For Business Leaders. Authored By: , , on 25th Jun 2020 23:54:13. General, Consulting. Managerial discretion is the theoretical construct set forth like a bridge between the polar views of organizations which are either inertial or highly adaptive. This has continued as a debate between population ecologists and strategic-choice theorists on the question of whether managers even matter.
