Grit - Why passion and Resilience Are the Secrets to ...

Simply put, grit is mental, physical, and emotional resilience. It's defined as passion and perseverance towards long term goals. It's not something you are born with, you don't learn it in a classroom, you don't inherit it, and a lot of times you don't even learn it from your parents. You earn it by experiencing and doing hard things, sticking with it even when you want to quit, and pushing through to the other side to experience personal growth.
