...

On the Courthouse Lawn is an eye-opening book that exposes the ways local systems are set up to perpetuate racist behaviors. Sherrilyn Ifill does a great job of taking readers through the history of the lynchings on the eastern shore of Maryland, while also sharing what policies (both legal and institutional) allowed the lynchings to go unreported by the media and without convictions by the court.

Over forty years later, Sherrilyn Ifill's *On the Courthouse Lawn* examines the numerous ways that this racial trauma still resounds across the United States. While the lynchings and their immediate aftermath were devastating, the little-known contemporary consequences, such as the marginalization of political and economic development for black Americans, are equally pernicious.

**On the Courthouse Lawn :

On the Courthouse Lawn investigates how the lynchings implicated average white citizens, some of whom actively participated in the violence while many others witnessed the lynchings but did nothing to stop them. Ifill observes that this history of complicity has become

embedded in the social and cultural fabric of local communities, who either supported, condoned, or ignored the violence.
