This friendly, fun biography series focuses on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves. Each book tells the story of one of America's icons in a lively, conversational way that works well for the youngest nonfiction readers and that always includes the hero's childhood influences. At the back are an excellent timeline and photos. Being a woman scientist in the 19th century meant Marie Curie faced plenty of obstacles, but she never let them dull her love of science and passion for learning.

**I Am Harriet Tubman** *Penguin*

An adventure-filled retelling based on an episode from the PBS KIDS television series Xavier Riddle and the Secret Museum starring Harriet Tubman. Based on the children’s book series Ordinary People Change the World by New York Times bestselling author Brad Meltzer and illustrator Christopher Eliopoulos, the series introduces kids to inspiring historical figures and the character virtues that helped them succeed. Brad, Xavier, and Yadina need help deciding who the best superhero ever was. Luckily, Berby and the Secret Museum know just where to send them: back in time to meet Harriet Tubman, one of the leaders of the Underground Railroad. This episode-based 8x8 will focus on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves.

**A New Day** *Penguin*

This big-hearted story of kindness—reminiscent of The Day the Crayons Quit—is written by the bestselling author of Ordinary People Change the World and illustrated by the Caldecott Medal-winning creator of Beekle. Sunday quit, just like that. She said she was tired of being a day. And so the other days of the week had no choice but to advertise: "WANTED: A NEW DAY. Must be relaxing, tranquil, and replenishing. Serious inquires only." Soon lots of hopefuls arrived with their suggestions, such as Funday, Bunday, Acrobaturday, SuperheroDay, and even MonstersWhoResembleJellyfishDay! Things quickly got out of hand . . . until one more candidate showed up: a little girl with a thank-you gift for Sunday. The girl suggested simply a nice day--a day to be kind. And her gratitude made a calendar's worth of difference to Sunday, who decided she didn't need to quit after all. When we appreciate each other a little bit more, all the days of the week can be brand-new days where everything is possible.

**I am Malala Yousafzai** *Penguin*

The youngest ever Nobel Prize laureate, Pakistani women’s rights activist Malala Yousafzai, is the 26th hero in the New York Times bestselling picture book biography series for ages 5 to 8. Malala Yousafzai won the Nobel Peace Prize at the age of 17 for speaking out against injustice even when it was terrifying to do so. She was an ordinary Muslim girl who wanted to attend school, and she refused to stop protesting for her rights even after being attacked by a powerful group in Pakistan who wanted women to remain in the shadows. She continues to fight for women’s rights and free education for children all over the world. This friendly, fun biography series inspired the PBS Kids TV show Xavier Riddle and the Secret Museum. One great role model at a time, these books encourage kids to dream big. Included in each book are: • A timeline of key events in the hero’s history • Photos that bring the story more fully to life • Comic-book-style illustrations that are irresistibly adorable • Childhood moments that influenced the hero • Facts that make great conversation-starters • A character trait that made the person heroic and that readers can aspire to You'll want to collect each book in this dynamic, informative series!

**Heroes for My Daughter** *HarperCollins*

#1 New York Times bestselling author Brad Meltzer brings together a remarkable group of heroes with one thing in common: they were ordinary people who became extraordinary. Brad was inspired by the birth of his daughter to curate this collection, but you don’t need to be a parent to treasure it—Heroes for My Daughter is perfect for children, parents, teachers, and anyone looking for inspiration. The sixty featured figures represent the spectacular potential we all have within us to change the world. The format allows for reading straight through or at your own pace, and includes photos, quotes, brief biographies, and vignettes that highlight the single moment that made each person great. The wonderfully diverse heroes included in the book are women, men, historical, contemporary, athletes, actors, inventors, politicians, and so many more. Heroes for My Daughter is a book to be read again and again, as the simple question of what makes a hero remains a vital part of today’s conversation.

**Change the World**

**How Ordinary People Can Accomplish Extraordinary Things** *Jossey-Bass*

In this empowering book, Robert E. Quinn, author of the highly successful and influential Deep Change, gives readers the courage to use personal transformation to positively impact their home life, work life, and communities -- to be what he refers to as "inner-directed and outer-focused." We are all potential change agents, but most of us are trapped by belief that we as individuals cannot make a difference. Informed by the teachings of Jesus, Gandhi, and Martin Luther King, Jr. -- three of the most successful change agents ever -- Quinn outlines eight steps each of us can take to move ourselves and others to the highest levels of excellence. Following his advice, each of us can access and apply the power that lies within us in ways that will change our world for the better.

**The Four Winds**

**A Novel** *St. Martin's Press*

"The Bestselling Hardcover Novel of the Year."--Publishers Weekly From the number-one bestselling author of The Nightingale and The Great Alone comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. “My land tells its story if you listen. The story of our family.” Texas, 1921. A time of abundance. The

Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman’s only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa’s tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. The Four Winds is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, The Four Winds is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

Freedom

An Unruly History Harvard University Press

The invention of modern freedom—the equating of liberty with restraints on state power—was not the natural outcome of such secular Western trends as the growth of religious tolerance or the creation of market societies. Rather, it was propelled by an antidemocratic backlash following the Atlantic Revolutions. We tend to think of freedom as something that is best protected by carefully circumscribing the boundaries of legitimate state activity. But who came up with this understanding of freedom, and for what purposes? In a masterful and surprising reappraisal of more than two thousand years of thinking about freedom in the West, Annelien de Dijn argues that we owe our view of freedom not to the liberty lovers of the Age of Revolution but to the enemies of democracy. The conception of freedom most prevalent today—that it depends on the limitation of state power—is a deliberate and dramatic rupture with long-established ways of thinking about liberty. For centuries

people in the West identified freedom not with being left alone by the state but with the ability to exercise control over the way in which they were governed. They had what might best be described as a democratic conception of liberty. Understanding the long history of freedom underscores how recently it has come to be identified with limited government. It also reveals something crucial about the genealogy of current ways of thinking about freedom. The notion that freedom is best preserved by shrinking the sphere of government was not invented by the revolutionaries of the seventeenth and eighteenth centuries who created our modern democracies—it was invented by their critics and opponents. Rather than following in the path of the American founders, today’s “big government” antagonists more closely resemble the counterrevolutionaries who tried to undo their work.

I Am Dolly Parton Dial Books

The legendary country musician, reading advocate, and philanthropist Dolly Parton is the 28th in the New York Times bestselling picture book biography series for ages 5 to 8. This book spotlights Dolly Parton, known for her beloved country songs, who has also sent over 150 million free books to children through her Imagination Library. I Am Martin Luther King, Jr Dial Books for Young Readers

We can all be heroes. That's the inspiring message of this New York Times Bestselling picture book biography series from historian and author Brad Meltzer. Even as a child, Martin Luther King, Jr. was shocked by the terrible and unfair way African-American people were treated. When he grew up, he decided to do something about it--peacefully, with powerful words. He helped gather people together for nonviolent protests and marches, and he always spoke up about loving other human beings and doing what's right. He spoke about the dream of a kinder future, and bravely led the way toward racial equality in America. This lively, New York Times Bestselling biography series inspires kids to dream big, one great role model at a time. You'll want to collect each book.
