The Be Internet Awesome curriculum gives educators the tools and methods they need to teach digital safety fundamentals. The materials developed by Google in partnership with iKeepSafe enable educators to bring the most critical teachings—and the excitement of Interland—into the classroom. Included in the curriculum are lesson plans for the five topics, with activities and worksheets that were designed to complement Interland.

Be Internet Awesome - Educators

Educators, social workers and other professionals working with children and young people play a key role in supporting children to learn about how

to stay safe online. It is our experience that this is best achieved by embedding esafety across the curriculum or the work of the organisation, through a framework of effective policies and routes for reporting concerns such as cyberbullying.
