Community engagement starts with understanding and adding value. If you always come from the mindset of making someone else’s day better, you will get great emotional responses from your audience. No matter if your posts are entertaining in nature or serious in scope, if they are relevant and precise, you will always get a great response.

Community engagement: 6 tips to engage your community

As it turns out, even the most engaged segment of workers surveyed (managers and executives) are only reporting 38% engagement – barely over a third. The report includes a number of other troubling statistics as well, such as that 51% of employees are currently looking for new jobs.. With that in mind, we’ve put together a list of employee engagement ideas that have been successful for us ...
