Critical thinking: the art of asking questions | TrainingZone

Critical thinking teaches us to think intellectually, ethically, and creatively. I have always been involved in the arts; either in the making of art, or working for galleries, museums, and cultural centers, both in the USA and internationally. I have come to understand just how important art is to the human condition. Having art in our lives not only brings us pleasure; art offers us a chance to think, to be curious, to be amazed, or even confused. What am I looking at? What I am I ...
