Present at the Creation is a densely detailed account of Acheson's diplomatic career, delineated in intricately eloquent prose. Going over the origins of the cold war--the drawing of lines among the superpowers in Europe, the conflict in Korea--Acheson discusses how he and his colleagues came to realize "that the whole world structure and order that we had inherited from the nineteenth century was gone," and that the old methods of foreign policy would no longer apply.

The Trinity in the Creation . In verse 26, God says, "Let us make man in our image, in our likeness ..." This is the only instance in the creation account that God uses the plural form to refer to himself. It's interesting to note that this happens just as he begins to create man. Many scholars believe this is the Bible's first reference to the Trinity.
