With this volume about American women's participation in Vietnam, both overseas and at home, Zeinert continues her historical review of women in military conflict, which includes Those Remarkable Women of the American Revolution (1996) and Those Courageous Women of the Civil War (1998). Her highly readable, well-organized text begins with a comprehensive overview of the conflict itself, including the social and political climate at home--the civil rights movement and the changing role of women.
