Leadership 2050 Critical Challenges Key

Leadership 2050 offers a broad yet solidly researched overview of key issues and influences most likely to dominate the global social, political and economic landscape in the decades ahead.

This is a book to guide and inspire anyone, from CEO to private citizen, who faces the important task of shaping sound long-range plans, while earning and preserving the trust of co-workers and the public.

Leadership 2050: Critical Challenges, Key Contexts and ...

The book concludes with a series of unique ways of viewing the critical challenges facing leaders and suggests how skillsets and capacities needed to work on solutions to these challenges might be developed. Leadership 2050 helps us think at once about the demands our world is likely to face in the next thirty-five years and the leadership our communities and organizations will need to both survive those challenges and thrive.
