Aspects of Language Contact - De Gruyter

Language contact occurs when speakers of two or more languages or varieties interact and influence each other. The study of language contact is called contact linguistics. When speakers of different languages interact closely, it is typical for their languages to influence each other. Language contact can occur at language borders, between adstratum languages, or as the result of migration, with an intrusive language acting as either a superstratum or a substratum. Language contact occurs in a v

Language contact - Wikipedia

The Study of Language Contact. "Manifestations of language contact are found in a great variety of domains, including language acquisition, language processing and production, conversation and discourse, social functions of language and language policy, typology and language change, and more.

...

Definition and Examples of Language Contact

The linguistic outcomes of language contact are determined in large part by the history of social relations among populations, including economic, political and demographic factors.

Linguistic Outcomes of Language Contact

Distinct speech sounds in language. Learning phonics will aid your child as they learn to read and write. Knowing the sounds letters make as well as the sound letter combinations make will help your child as they decode words. Semantic Knowledge: Semantic Knowledge is the aspect of language that involves word meaning and word labels.

5 Aspects of Language - Language Development

Any discussion of language contact and ensuing borrowing must take the various types of contact and the results for the languages involved into account. For the present discussion one must distinguish two basic kinds. The first is direct transfer where the effect is immediate, frequently with alteration in the structure of the recipient language. Immediate influence on closed classes of a language (morphology and syntax) presumes an intensity of contact and a lack of external constraints ...
