Pastoral Theology

Pastoral theology is the
branch of practical
theology concerned
with the application of
the study of religion in
the context of regular

church ministry. This approach to theology seeks to give practical expression to theology. Normally viewed as an "equipping" of ministers, practical theology is often considered to be more pragmatic than speculative, indeed, essentially a practical science.

Answer: Pastoral theology is the study of what the Bible says about the office of pastor/elder/bishop/overseer. It applies timeless biblical truth to situations faced every day in churches and is closely related to practical theology. Pastoral theology examines the issues and challenges associated with being a pastor and informs the relationship between a pastor and the people under his spiritual care.
