The population in this study consisted of seventeen nursing students from different academic semesters and three clinical nursing instructors.

The Challenges of Nursing Students in the Clinical ...

My experience in my senior year clinical preceptorship was without a doubt unique but I feel its uniqueness was in what I made of it, something every nursing student can do for

themselves. If there is one lesson to gain from reading about my experiences it should be that the success of a clinical, whether a

preceptorship or group experience, is entirely what the student makes of it.
