Politics Of Power 6th Edition

For teachers. Overview. With this sixth edition of Politics, Power, and the Common Good, we continue to endeavour to present a clear explanation of the basics of politics, while at the same time raising challenging questions that will encourage students to think deeply about the contemporary political world. In this book, we provide the basic knowledge that every citizen (or potential citizen) should have, from understanding the political parties that seek our votes to understanding the way ...

Shop Us With Confidence. Summary. THE POLITICS OF POWER provides a lively, comprehensive, critical perspective of the American political system by highlighting how political conflicts, institutions, and processes are influenced by deep inequalities generated by the country's political economy. Building on the coverage of all of the major topics typical of an American Government course the critical analysis in this text is based on the theme that American democracy is limited by fundamental ...
