The unique narration design, relatable personalities, and plot twists make it a rewarding addition to your bookshelf. So, if you're seeking a fascinating read, Suicide Notes Michael Thomas Ford is definitely worth taking into consideration.

Suicide Notes *Harper Collins*

An unforgettable coming of age novel for fans of 13 Reasons Why, It's Kind of a Funny Story, and The Perks of Being a Wallflower. Fifteen-year-old Jeff wakes

up on New Year's Day to find himself in the hospital—specifically, in the psychiatric ward. Despite the bandages on his wrists, he's positive this is all some huge mistake. Jeff is perfectly fine, perfectly normal; not like the other kids in the hospital with him. But over the course of the next forty-five days, Jeff begins to understand why he ended up here—and realizes he has more in common with the other kids than he thought. “With a sprinkling of dark humor and a full measure of humanness, Suicide Notes is quirky, surprising, and a riveting read.” —Ellen Hopkins, author of *The You I've Never Known* and *Love Lies Beneath* “Like the very best teen novels, Suicide Notes is both classic and edgy, timeless and provocative.” —Brent Hartinger, author of *Geography Club*

"Makes a powerful emotional impact."
—Publishers Weekly (starred review)
"Jeff's wit and self-discovery are refreshing, poignant, and, at times, laugh-out-loud funny." —School Library Journal

Suicide Notes *Harper Collins*

I'm not crazy. I don't see what the big deal is about what happened. But apparently someone does think it's a big deal because here I am. I bet it was my mother. She always overreacts. Fifteen-year-old Jeff wakes up on New Year's Day to find himself in the hospital. Make that the psychiatric ward. With the nutjobs. Clearly, this is all a huge mistake. Forget about the bandages on his wrists and the notes on his chart. Forget about his problems with his best

friend, Allie, and her boyfriend, Burke. Jeff's perfectly fine, perfectly normal, not like the other kids in the hospital with him. Now they've got problems. But a funny thing happens as his forty-five-day sentence drags on—the crazies start to seem less crazy. Compelling, witty, and refreshingly real, *Suicide Notes* is a darkly humorous novel from award-winning author Michael Thomas Ford that examines that fuzzy line between "normal" and the rest of us.

Suicide Notes from Beautiful Girls
Simon and Schuster

The New York Times bestselling "taut, sophisticated thriller" (BCCB, starred review) packed with twists and turns that will leave you breathless. They say Delia burned herself to death in her

stepfather's shed. They say it was suicide. But June doesn't believe it. June and Delia used to be closer than anything. Best friends in that way that comes before everyone else—before guys, before family. It was like being in love, but more. They had a billion secrets, binding them together like thin silk cords. But one night a year ago, everything changed. June, Delia, and June's boyfriend Ryan were just having a little fun. Their good time got out of hand. And in the cold blue light of morning, June knew only this—things would never be the same again. And now, a year later, Delia is dead. June is certain she was murdered. And she owes it to her to find out the truth...which is far more complicated than she ever could have imagined. Sexy, dark, and

atmospheric, *Suicide Notes from Beautiful Girls* will keep you guessing until the very last page.

Love & Other Curses *HarperCollins*

"I'm pretty sure I'm the only guy in my school who can replace a faulty kick-down switch and also create the perfect smoky eye." The Weyward family has been haunted by a curse for generations—if a Weyward falls in love before their seventeenth birthday, the person they love dies. Sam doesn't plan to fall for anyone in the weeks before his birthday. He'll spend his time working at the Eezy-Freeze with his dad; cooking up some midsummer magic with his grandmother, great-grandmother, and great-great-grandmother (the Grands); and experimenting with drag with the

help of the queens at the Shangri-La, the local gay club. But when a new guy comes to town, Sam finds himself in trouble when they strike up a friendship that might be way more than that. As Sam's birthday approaches and he still hasn't quite fallen in love, the curse seems to get more powerful and less specific about who it targets. A mysterious girl Sam talks to on the phone late at night and a woman he's only seen in a dream might have the answers he's been looking for—but time is running out to save the people he cares about.

Book of Suicide Notes *Independently Published*

This is a book of suicide notes. Nothing more, nothing less. \$1 of each book

purchased goes to the National Action Alliance for Suicide Prevention.

Jane Vows Vengeance

A Novel *Ballantine Books*

Traveling to Europe with her friends to marry Walter, author-turned-vampire Jane Austen is astonished when a husband from her past objects during the ceremony and reveals his own vampire nature, a situation that prompts an uproarious trip down memory lane. By the author of *Jane Bites Back*. Original. 12,000 first printing.

Love Lies Beneath

A Novel *Simon and Schuster*

When once-widowed, twice-divorced

Tara meets husband No. 4, she must decide whether she's truly in love for the first time --or whether she's being played by a master manipulator.

Looking For It *Kensington Publishing Corp.*

Mike Monaghan is the bartender at the Engine Room, a meeting place for the small but thriving community of gay men in Cold Falls, New York. As Mike pours beer, wipes glasses and hears everything, he's also witness to the men who come here looking for what they need--sex, direction, friendship, spiritual fulfillment, and love. People like: Stephen Darby--As an accountant, he knows many secrets. But Stephen has his own secret, one he's never been able to share with anyone close to him. Being

the perfect son costs him dearly, and now it may take from him the one man he longs for. Pete Thayer--Playing it straight, Pete takes out his frustrations on transmissions and engines during the day, then spends his nights trying to quench his needs through anonymous sex. But once the thrill of the forbidden begins to fade, what will he be left with? John and Russell--The golden couple in town has the ideal relationship everyone wants. But behind the scenes, their storybook marriage is on the verge of facing some explosive trials that will shake both men completely. Father Thomas Dunn--More and more the gentle priest is feeling a need to express the secret desires that conflict with his devotion to the church, sending his faith into a tailspin and making him question

what he really wants from life. Simon Bird--He's a fixture in town, an old queen everyone finds amusing and entertaining. Still mourning the loss of his longtime lover, Simon yearns to find love and a place in a culture that worships youth and beauty. As Mike hands these men their drinks, he marvels at their determination, strength and foolishness. But most of all, he begins to question his own dissatisfaction, pondering what's missing from his own life, and what risks he may have to take to find fulfillment. Looking For It is an extraordinarily human tale of community, friendship, and the search for happiness. With unflinching honesty, keen insight, and his trademark humor, Michael Thomas Ford weaves together the unforgettable stories of these seven

men, chronicling their dreams, hurts, heartbreaks, joys, and hopes, while taking readers on an emotional journey to find what it is we're all looking for.

Teenage Suicide Notes

An Ethnography of Self-Harm *Columbia University Press*

"Picturing myself dying in a way I choose myself seems so comforting, healing and heroic. I'd look at my wrists, watch the blood seeping, and be a spectator in my last act of self-determination. By having lost all my self-respect it seems like the last pride I own, determining the time I die."-Kyra V., seventeen Reading the confessions of a teenager contemplating suicide is uncomfortable, but we must do so to understand why self-harm has

become epidemic, especially in the United States. What drives teenagers to self-harm? What makes death so attractive, so liberating, and so inevitable for so many? In *Teenage Suicide Notes*, sociologist Terry Williams pores over the writings of a diverse group of troubled youths to better grasp the motivations behind teenage suicide and to humanize those at risk of taking their own lives. Williams evaluates young people in rural and urban contexts and across lines of race, class, gender, and sexual orientation. His approach, which combines sensitive portrayals with sociological analysis, adds a clarifying dimension to the fickle and often frustrating behavior of adolescents. Williams reads between the lines of his subjects' seemingly

straightforward reflections on alienation, agency, euphoria, and loss, and investigates how this cocktail of emotions can lead to suicide—or not. Rather than treating these notes as exceptional examples of self-expression, Williams situates them at the center of teenage life, linking them to abuse, violence, depression, anxiety, religion, peer pressure, sexual identity, and family dynamics. He captures the currents that turn self-destruction into an act of self-determination and proposes more effective solutions to resolving the suicide crisis.

What We Remember *Kensington Books*

Every family has a hidden story—even the perfect ones. In this suspenseful and

deeply moving novel, Michael Thomas Ford propels us beyond smiling holiday photographs and beloved anecdotes to explore the complex ties within one family--and between two very different brothers whom catastrophe will either unite or divide forever. . . . On the morning James McCloud, a Seattle district attorney, gets a call from his sister, he senses his own long-buried family history is about to be dragged into the light. James's father, Daniel, a police officer, disappeared eight years ago. Now his body has been found. James always believed his father committed suicide. But the evidence leaves no doubt: Daniel was murdered. James immediately returns to Cold Falls, New York, to be with the rest of his family. Among them is his brother, Billy,

twenty-one, gay, and even more troubled than James remembers. James was always the golden child, Billy the disappointment. Time has not healed their differences, but events may drastically change their roles. For when James's high school ring is discovered with Daniel's body, he becomes the prime suspect. And as the truth emerges, piece by piece, Billy finds himself amid a swirl of secrets and lies powerful enough to decide his brother's fate, threaten yet another life, and destroy the bonds that still remain. . . . "A fast-moving yet thoughtful exploration of family love and the things we do in its name." --Booklist

The Earth, My Butt, and Other Big Round Things *Bloomsbury Publishing*

USA

A Michael L. Printz Honor Book * An ALA Best Book for Young Adults * A YALSA Teens' Top Ten Book * An NYPL Book for the Teen Age Carolyn Mackler's Printz Honor book--starring the unforgettably funny, body-conscious Virginia Shreves--returns in this 15th anniversary edition featuring text updates and never-before-seen material from the author. Fifteen-year-old Virginia feels like a plus-sized black sheep in her family, especially next to her perfect big brother Byron. Not to mention her best friend has moved, leaving Virginia to navigate an awkward relationship with a boy alone. He might like her now . . . but she has her doubts about how he'll react if he ever looks under all her layers of clothes. In order to survive, Virginia decides to follow a

"Fat Girl Code of Conduct," which works, until the unthinkable causes her family's façade to crumble. As her world spins out of orbit, she realizes that being true to herself might be the only way back. Told in a perfect blend of humor and heart, this acclaimed Printz Honor winner resonates as much today as it did when it first published, and now features a new author foreword, text updates, and other bonus content.

Fictions of Adolescent Carnality

Sexy sinners and delinquent deviants *John Benjamins Publishing*

Fictions of Adolescent Carnality considers one of the most controversial topics related to adolescents: their experience of desire. In fiction for

adolescents, carnal desire is variously presented as a source of angst, an overwhelming experience over which one has no control, bestial, disgusting and, just occasionally, a source of pleasure. The on-set of desire, within the Anglophone tradition, has been closely associated with the loss of innocence and the end of childhood. Drawing on a corpus of 200 narratives of adolescent desire, Kokkola examines the connections between sociological accounts of teenagers' sexual behaviour, adult fears for and about their off-spring and fictional representations of adolescents exploring their sexuality. Taking up topics such as adolescent pregnancy and parenthood, queer sexualities, animal-human connections and sexual abuse, Kokkola provides

wide-ranging insights into how Anglophone literature responds to adolescents' carnal desires, and contributes to on-going debates on the construction of adolescence and the ideology of innocence.

The You I've Never Known *Margaret K. McElderry Books*

How do you live your life if your past is based on a lie? Find out in this "satisfied and moving story" (Publishers Weekly, starred review) in both verse and prose from #1 New York Times bestselling author, Ellen Hopkins. For as long as she can remember, it's been just Ariel and Dad. Ariel's mom disappeared when she was a baby. Dad says home is wherever the two of them are, but Ariel is now seventeen and after years of new

apartments, new schools, and new faces, all she wants is to put down some roots. Complicating things are Monica and Gabe, both of whom have stirred a different kind of desire. Maya's a teenager who's run from an abusive mother right into the arms of an older man she thinks she can trust. But now she's isolated with a baby on the way, and life's getting more complicated than Maya ever could have imagined. Ariel and Maya's lives collide unexpectedly when Ariel's mother shows up out of the blue with wild accusations: Ariel wasn't abandoned. Her father kidnapped her fourteen years ago. In bestselling author Ellen Hopkins's deft hands, Ariel's emotionally charged journey to find out the truth of who she really is balances beautifully with Maya's story of loss and

redemption. This is a memorable portrait of two young women trying to make sense of their lives and coming face to face with themselves—for both the last and the very first time.

Z *Harper Collins*

The First Rule of Torching: Cleanse with fire. Josh is by far the best zombie Torcher around—at least, he is in his virtual-reality zombie-hunting game. Josh has quickly risen through the player ranks, relying on the skill, cunning, and agility of a real Torcher. The Second Rule of Torching: Save all humans. But luckily for Josh, zombies exist only in the virtual world. The real zombie war is now more than fifteen years in the past, and the battle to defeat the deadly epidemic that devastated his family—and millions of

others—is the stuff of history lessons. The Third Rule of Torching: You can't bring them back. Charlie is the top-ranked player in the game. Since all the players are shrouded in anonymity, Josh never expects Charlie to be a girl—and he never expects the offer she makes him: to join the underground gaming league that takes the virtual-reality game off the screen and into the streets. Josh is thrilled. But the more involved he gets, the more he realizes that not everything is what it seems. Real blood is spilling, members of the team are disappearing, and the zombies in the game are acting strange. And then there's the matter of a mysterious drug called Z. . . .

Lily

Lily is a girl who discovers she has the ability to see how others will die simply by touching them. Only she doesn't want this gift. When her mother sells Lily to a preacher and his travelling tent revival, Lily is torn away from home and thrust into a world of greed and manipulation that threatens to destroy her unless she can find a way back.

Suicide Notes *Moonstruck Media*

He wants her, but can he live with the lie he will have to tell to keep her? Struggling with the biggest secret of his life, rockstar Caleb McCord is slowly being ripped to shreds. Spending every waking minute seeking for ways to numb the pain of his stepsister's suicide, he's living at the bottom of a bottle. When Caleb finds his sister's best friend, Anna,

in his arms, turning to him for solace, he realizes his dream to be with her is closer than ever. He's certain, however, that if Anna ever finds out the truth he'll lose her forever. Despite his nagging guilt, Caleb knows he must keep this secret in the grave it's already buried in. But how can a new relationship hope to survive when it is built on lies? Grab this great new adult contemporary romance today, from #1 International and USA Today Bestselling Author, Lacey Weatherford. "WOW! What a book!" - Laura Review for PRAATR "I love the heartache, passion, love, and hot sizzle that this book has! Absolutely incredible story that left me wanting more, and by far one of my favorite "Lacey Weatherford" books yet!!" Christina Racich, Pretty Lil Page Turner "Suicide

Notes will make you think and feel things you never could have imagined!" Raquel Ariemma, Roc n' Read NOTE: **Recommend for 18+ due to mature themes and adult subject matter. **This book was originally released under Lacey's pen name, Sydney Snow, under the title Tell Me Why. It has also previously sold as The Secret.

The Daily Show (The Book)

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests *Grand Central Publishing*
NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen

years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's

highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks,

romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

part puts all of this information to use in a practical guide to living the pagan year.

The Path Of The Green Man

Gay Men, Wicca, and Living a Magical Life *Citadel Press*

A handbook containing information of interest to gay men who want to know what paganism and Wicca are, how these traditions speak specifically to them and how to go about beginning to explore pagan spirituality as a rewarding spiritual path. The Path of the Green Man is composed of two parts, arranged in alternating chapters. The first part is a basic primer on paganism and Wicca, on spiritual practice and beginning to play with the tools of spirituality. The second

Jane Bites Back

A Novel *Random House Digital, Inc.*

Alive and well as a vampire in the modern world, literary master Jane Austen anonymously runs a bookshop in sleepy upstate New York but despairs of publishing a centuries-old manuscript that has been rejected dozens of times, a situation that is further compromised when she falls in love. Original.

Tangled Sheets *Kensington Publishing Corp.*

Hot And Bothered From Michael Thomas Ford, the critically acclaimed author of

Last Summer and Alec Baldwin Doesn't Love Me, comes this sizzling collection of fantasies culled from more than a decade of his best erotic work. These stories of heat, lust, desire, need, and transformation--an Olympian bacchanal, a chance meeting in the men's room, an S&M-fueled "coaching" session, a police officer who'll do what it takes to get a confession--are as incredibly hot as they are exquisitely crafted. There's "Becoming Al," an "X-rated Flannery O'Connor story" that takes place on the stage at a male peep show. The mosh pit of an underground club brings two punks to the edge and over in the adrenaline-charged "Diving the Pit." A gorgeous window washer gives a worker drone some high-rise sex in "Washing Up." And the power of a young man's first sexual

awakening--and the reunion it inspires twenty years later--lies at the heart of the achingly sensual "The Boys of Summer." Along the way, Ford turns up the heat by confessing the naughty personal thoughts that inspired his steamiest erotica. A visit to his incredibly sexy dentist led to Ford's delicious story of one explosive oral exam in "The Check Up." The summer sounds drifting up from the New York City streets on a hot summer night influenced Ford's sinfully sexy voyeuristic fantasy, "Wednesday, 2 A.M." A hunky conductor on a commuter train gave Ford lustful thoughts and a whole new meaning for the term "Riding the Rails." And the discovery of anonymous nude Polaroids gave birth to the no-holds-barred "Dirty Pictures." Hard-core, tender,

imaginative, candid, and just plain hot, these stories prove that when it comes to erotica that's down-and-dirty AND intelligent, nobody does it better than Michael Thomas Ford.

Ultimate Gay Sex

Sexy and provocative, this is your one-stop guide to gay male sex. Lavishly illustrated and packed with advice and information on relationships, gay image, coming out and mental well-being, Ultimate Gay Sex is the most up-to-date gay sex manual on the market. All the lowdown on health issues as well as gay sex practices, sexual tastes and erotica, makes this essential bedtime reading!

Promise Me Something *Albert Whitman & Company*

As if starting high school weren't bad enough, Reyna Fey has to do so at a new school without her best friends. Reyna's plan is to keep her head down, help her father recover from the car accident that almost took his life, and maybe even make some friends. And then Olive Barton notices her. Olive is not exactly the kind of new friend Reyna has in mind. The boys make fun of her, the girls want to fight her, and Olive seems to welcome the challenge. There's something about Olive that Reyna can't help but like. But when Reyna learns Olive's secret, she must decide whether it's better to be good friends with an outcast or fake friends with the popular kids. . . .before she loses Olive forever.

Full Circle *Kensington Books*

At the behest of his estranged friend Jack, history professor Ned Brummel arrives in Chicago to visit Andy, a friend who is terminally ill, and reflects upon the past events that have shaped his world and relationships with these two very different men. Reprint.

A Matter of Record

Documentary Sources in Social Research *John Wiley & Sons*

This textbook aims to give an introduction to the use of documentary sources in social research. It is designed to be a companion to courses in research methods in the social sciences and history and a reference text for those beginning research on documentary sources. The book begins

with an overview of the nature of social research and the variety of methods which can be used. Scott identifies three types of evidence useful in such research - physical evidence, personal evidence and documentary evidence. He argues that the logic of research is common to each type of evidence, but that each involves specific methodological issues. An appraisal grid for the analysis of documents is presented, showing the criteria which must be used in evaluating documentary sources. In the following chapters these criteria are applied to the variety of documentary sources available to the social researcher: census data and official statistics; government publications; directories and yearbooks; personal diaries and letters.

Lost Boi *arsenal pulp press*

Lambda Literary Award finalist In Sassafras Lowrey's gorgeous queer punk reimagining of the classic Peter Pan story, prepare to be swept overboard into a world of orphaned, abandoned, and runaway bois who have sworn allegiance and service to Pan, the fearless leader of the Lost Bois brigade and the newly corrupted Mommy Wendi who, along with the tomboy John Michael, Pan convinces to join him at Neverland. Told from the point of view of Tootles, Pan's best boi, the lost bois call the Neverland squat home, creating their own idea of family, and united in their allegiance to Pan, the boi who cannot be broken, and their refusal to join ranks with Hook and the leather pirates. Like a fever-pitched dream, Lost

Boi situates a children's fantasy within a subversive alternative reality, chronicling the lost bois' search for belonging, purpose, and their struggle against the biggest battle of all: growing up. Sassafras Lowrey is a straight-edge queer punk who won the Lambda Literary Emerging Writer Award and was named to the inaugural Trans 100 list by We Be Trans. Sassafras's books, *Kicked Out*, *Roving Pack*, and *Leather Ever After*, have been honored by organizations ranging from the National Leather Association to the American Library Association.

Changing Tides *Kensington Books*

A marine biologist learns about fatherhood, love, and himself over the course of one summer in this novel by

the award-winning author of *Full Circle*. Marine biologist Ben Ransome understands the sea, especially the tiny, beautiful sea slugs he has studied and admired for most of his life. What Ben doesn't understand are people, and now, one of the most important people in his life—his sixteen-year-old daughter Caddie—is coming to live with him for the summer. But the sweet, happy child he remembers has been replaced by a wounded, angry stranger who resents everything about her father. Caddie is determined to act out in every way, leaving Ben feeling more alone than ever. Hudson Jones has come to Monterey, California, to find the answers to all his questions. The young, ambitious graduate student believes he's found a lost John Steinbeck novel

called *Changing Tides* that seems to hint at the author's love for his best friend, Ed "Doc" Ricketts. If he can prove it, his career will be made. And then, perhaps he can quiet the personal demons that haunt him. But first, he'll need some local help in his research, and Ben just may be able to supply him with access to the information he needs. It's clear to Hudson that the handsome, quietly passionate, Ben needs some help, too, with Caddie and his life. Sharing dinners and walks on the beach, intellectual discussions and heart-to-heart conversations, Ben and Hudson move from tentative friendship to a surprising, revelatory relationship, one with the power to point them toward the most important discoveries of their lives. For Ben, it's a summer of new beginnings,

even as his daughter embarks on a dangerous course that will test the new happiness he's found . . . *Changing Tides* is an extraordinary novel that explores the glorious flaws and frailties of human beings in the never-ending st

Z

Josh is by far the best zombie Torcher around. At least, he is in his virtual-reality zombie-hunting game. Zombies haven't existed in the real world in more than fifteen years, and the battle to defeat the devastating zombie epidemic is now the stuff of history lessons. Or so it seems. When Josh accepts a coveted invitation to join an underground gaming league in the dark, forgotten tunnels of the city, he soon realises that hunting zombies is not all fun and games. Real

blood is spilling, members of the team are disappearing and the zombies in the game are acting strange. And then there's the matter of a mysterious drug called Z . . . This darkly thrilling teen novel will have you holding your breath as you turn every page.

Absolute Brightness *Macmillan*

From Academy Award-winning writer, actor, and activist in the LGBTQ community comes a groundbreaking story about love, prejudice, and being yourself. Phoebe's life in Neptune, New Jersey, is somewhat unremarkable. She helps her mom out with her hair salon, she goes to school, and she envies her perfect older sister. But everything changes when Leonard arrives. Leonard is an orphan, a cousin who Phoebe never

knew she had. When he comes to live with Phoebe's family, he upsets the delicate balance of their lives. He's gay and confident about who he is. He inspires the people around him. He sees people not as they are, but as they hope to be. One day, Leonard goes missing. Phoebe, her family, and her community fight to understand what happened, and to make sense of why someone might want to extinguish the beautiful absolute brightness that was Leonard Pelkey. This novel by the cofounder of The Trevor Project inspired the critically-acclaimed Off-Broadway show *The Absolute Brightness of Leonard Pelkey*. A William C. Morris Debut Award Finalist "This book will encourage you to be exactly who you are." —Eve Ensler, author of *The Vagina Monologues* "This complex,

illuminating and beautiful book reminds us we have to look for the light even in the darkest corners." —Brian Selznick, author of *The Invention of Hugo Cabret*

Paths of Faith

Conversations about Religion and Spirituality *Simon & Schuster*

Examines diverse religions and explores how people come to make their decisions about what they believe through discussions with twelve people of various faiths, including a few of today's prominent religious figures.

The Attack of the Two-ton Tomatoes *Macmillan Children's Books*

The Way I Am *Penguin*

Chart topping-and headline-making-rap artist Eminem shares his private reflections, drawings, handwritten lyrics, and photographs in his New York Times bestseller *The Way I Am*. Fiercely intelligent, relentlessly provocative, and prodigiously gifted, Eminem is known as much for his enigmatic persona as for being the fastest-selling rap artist and the first rapper to ever win an Oscar. Everyone wants to know what Eminem is really like-after the curtains go down. In *The Way I Am*, Eminem writes candidly, about how he sees the world. About family and friends; about hip-hop and rap battles and his searing rhymes; about the conflicts and challenges that have made him who he is today. Illustrated with more than 200 full-color and black-and-white photographs-

including family snapshots and personal Polaroids, it is a visual self-portrait that spans the rapper's entire life and career, from his early childhood in Missouri to the basement home studio he records in today, from Detroit's famous Hip Hop Shop to sold-out arenas around the globe. Readers who have wondered at Em's intricate, eye-opening rhyme patterns can also see, first-hand, the way his mind works in dozens of reproductions of his original lyric sheets, written in pen, on hotel stationary, on whatever scrap of paper was at hand. These lyric sheets, published for the first time here, show uncut genius at work. Taking readers deep inside his creative process, Eminem reckons with the way that chaos and controversy have fueled his music and helped to give birth to

some of his most famous songs (including "Stan," "Without Me," and "Lose Yourself"). Providing a personal tour of Eminem's creative process, *The Way I Am* has been hailed as "fascinating," "compelling," and "candid."

Suicide and Attempted Suicide *Da Capo Lifelong Books*

Too often attempted suicide leads to unintended consequences, because ignorance is deadly and desperation can be fatal. In this morally courageous book, Geo Stone sets out to diminish the lack of awareness about suicide, from the tragedy of teenage suicide to the debate over assisted suicide.

Notes on Suicide

This book is not a suicide note. Ten days after Edouard Leve handed in the manuscript of *Suicide* to his publisher in 2007, he hanged himself in his apartment. He was 42. Two years after Jean Amery's *On Suicide* was published in 1976, the author took an overdose of sleeping pills. He was 65. In 1960, some eighteen years after Albert Camus had raised and - so he thought - resolved the question of suicide in *The Myth of Sisyphus*, he was killed in a car accident. He is alleged to have said that dying in a car crash is the most absurd of all deaths. The absurdity of his death is compounded by the fact he had an unused train ticket in his pocket. He was 46. Let me say at the outset, at the risk of disappointing the reader, that I have no plans to kill myself ... just yet. Nor do

I wish to join the chorus of those who proclaim loudly against suicide and claim that the act of taking one's own life is irresponsible and selfish, even shameful and cowardly, that people must stay alive whatever the cost. Suicide, in my view, is neither a legal nor moral offence, and should not be seen as such. My intention here is to simply try to understand the phenomenon, the act itself, what precedes it and what follows. I'd like to consider suicide from the point of view of those who have made the leap, or have come close to it—we might even find that the capacity to take that leap is what picks us out as humans. I want to look at suicide closely, carefully, and perhaps a little coldly, without immediately leaping to judgements or asserting moral principles like the right

to life or death. We have to look suicide in the face, long and hard, and see what features, what profile, what inherited character traits and wrinkles emerge. Perhaps what we see when we look closely is our own distorted reflection staring back at us.

--or Not to be

A Collection of Suicide Notes *Tarcher*
A collection of suicide notes accompanied by a brief description of who the individual was, what their note meant, and the circumstances which led up to their suicide

Suicide

Theory, Practice and Investigation

SAGE Publications

Suicide: Theory, Practice and Investigation is the only text available in paperback form that offers an accessible overview of suicide in the United States. Written by Ronald M. Holmes and Stephen T. Holmes, two of the foremost authors of murder and violent crime books in the world, this book examines the social problem and criminal justice concerns of suicide from unique perspectives. The authors discuss the various forms of suicide and analyze the latest data on regional differences and how gender, marital status, occupation, health, drug use, and religion all influence the practice of suicide.

Sparrow *Scholastic Inc.*

The story of a sensitive, gifted African

American girl who tells us with mordant humor what it feels like to spend every day wishing so hard that you could fly away from it all

The Last Chance Texaco *Harper Collins*

The guy looked at me with a stare that would have frozen antifreeze. "You the new groupie, huh?" "Yeah," I said. "So?" "So no one wants you here. Why don't you go back where you came from?" I can't go back, I wanted to say. That was the thing about living in a group home. There was nowhere for me to go but forward. Brent Hartinger's second novel, a portrait of a subculture of teenagers that many people would like to forget, is as powerful and provocative as his first book, *Geography Club*.

Jane Anonymous

A Novel *Wednesday Books*

Bestselling author Laurie Faria Stolarz's thrilling novel *Jane Anonymous* is a revelatory confessional of a seventeen-year-old girl's fight to escape a kidnapper—and her struggles to connect with loved ones and a life that no longer exists. Seven months. That's how long I was kept captive. Locked in a room with a bed, refrigerator, and adjoining bathroom, I was instructed to eat, bathe, and behave. I received meals, laundered clothes, and toiletries through a cat door, never knowing if it was day or night. The last time I saw the face of my abductor was when he dragged me fighting from the trunk of his car. And when I finally escaped, I prayed I'd never

see him again. Now that I'm home, my parents and friends want everything to be like it was before I left. But they don't understand that dining out and shopping trips can't heal what's broken inside me. I barely leave my bedroom. Therapists are clueless and condescending. So I start my own form of therapy—but writing about my experience awakens uncomfortable memories, ones that should've stayed buried. How far will I have to go to uncover the truth of what happened—and will it break me forever?

Drafts of a Suicide Note *Regal House Publishing*

"As far as I know, you can only die once..." But when Aetna Simmons disappears from her lonely Bermuda cottage, she leaves behind not one but

ten suicide notes. Ten different suicide notes. And no other trace to speak of, not even a corpse, as if she'd never existed. *Drafts of a Suicide Note* tells the tale of the darkly enigmatic love letter written by Kenji Okada-Caines, a petty criminal who once expositated on English literary classics and now, marooned on his native isle, nurtures an obsession with Aetna's writing. His murky images of a woman with ten voices and no face launch him into waking nightmares, driving him to confront his lifetime's worth of failures as a scholar, lover, and opiate addict. His wild conspiracy theories of Aetna as an impostor ten times over lead him to the doorstep of the Japanese mother who turned her back on him--and to the horrifying

discovery that the great love of his life isn't who she seems to be. Kenji's is a story of dire misunderstandings and the truths we hide even from the ones we love.

Cutters Don't Cry *Creative Media Publishing*

19-year-old Charity Graff engages in self-harm. More specifically she cuts herself to numb emotions. In a series of raw journal entries, the confused teenager writes to her estranged father, filling him in on what's happened in her life since he left her nearly 18 years ago. Throughout the course of her letter writing, Charity chronicles her penchant for cutting, a serious struggle with depression and her inability to vocally express her feelings.
