The most accessible, concise and visual account of world history to date. Geoffrey Parker's revised text maintains the book's reputation for

excellence, incorporates the latest research and seamlessly integrates expert historical The fifth edition of the Times Concise History of the World is an authoritative overview of world history, presented in a readable compact format.

The Times Concise History of the World by Geoffrey Parker

The common definition of antique is a collectible object such as a piece of furniture or work of art that has a high value because of its considerable age, but it varies depending on the item, its source, the year of its creation etc. The customary definition of antique requires that an item should be at least 100 years old and in original condition [citation needed].
