Intelligence-led policing is a policing model built around the assessment and management of risk. Intelligence officers serve as guides to operations, rather than operations guiding intelligence. Calls for intelligence-led policing originated in the 1990s, both in Britain and in the United States. In the U.S., Mark Riebling's 1994 book Wedge - The Secret War between the FBI and CIA spotlighted the conflict between law enforcement and intelligence, and urged cops to become "more like spies."
