Little Britches

Little Britches

Father and I Were Ranchers *U of Nebraska Press*

Ralph Moody was eight years old in 1906 when his family moved from New Hampshire to a Colorado ranch. Through his eyes we experience the pleasures and perils of ranching there early in the twentieth century. Auctions and

roundups, family picnics, irrigation wars, tornadoes and wind storms give authentic color to Little Britches. So do adventures, wonderfully told, that equip Ralph to take his father's place when it becomes necessary. Little Britches was the literary debut of Ralph Moody, who wrote about the adventures of his family in eight glorious books, all available as Bison Books.

Little Britches

Father and I Were Ranchers *New York : Norton*

The story of a pioneer family in the half-tamed wilds of Colorado.

Mary Emma & Company *U of Nebraska Press*

The protagonist, Mary Emma Moody, widowed mother of six, has taken her family east in 1912 to begin a new life. Her son, Ralph, then thirteen, recalls how the Moodys survive that first bleak winter in a Massachusetts town. Money and prospects are lacking, but not so faith and resourcefulness. "Mother" in *Little Britches* and *Man of the Family*, Mary Emma emerges fully as a character in this book, and Ralph, no longer called "Little Britches," comes into his own. The family's run-ins with authority and with broken furnaces in winter are evocative of a full and warm family life. Mary Emma & Company continues the Moody saga that started in Colorado with *Little Britches* and runs through *Man of the Family* and *The Home Ranch*. All these titles have been reprinted as *Bison*

Books, as has *The Fields of Home*, in which Ralph leaves the Massachusetts town for his grandfather's farm in Maine.

The Fields of Home *U of Nebraska Press*

The fatherless Moody family moved from Colorado to Medford, Massachusetts, in 1912, when Ralph was entering his teens. "I tried as hard as I could to be a city boy, but I didn't have very good luck," he says at the beginning of *The Fields of Home*. "Just little things that would have been all right in Colorado were always getting me in trouble." So he is sent to his grandfather's farm in Maine, where he finds a new set of adventures.

The Home Ranch *U of Nebraska Press*

Little Britches becomes the "man" in his family after his father's early death, taking on the concomitant responsibilities as well as opportunities. During the summer of his twelfth year he works on a cattle ranch in the shadow of Pike's Peak, earning a dollar a day. Little Britches is tested against seasoned cowboys on the range and in the corral. He drives cattle through a dust storm, eats his weight in flapjacks, and falls in love with a blue outlaw horse. Following Little Britches and developing an episode noted near the end of *Man of the Family*, *The Home Ranch* continues the adventures of young Ralph Moody. Soon after returning from the ranch, he and his mother and siblings will go east for a new start, described in *Mary Emma & Company* and *The Fields of Home*. All

these titles have been reprinted as Bison Books.

Man of the Family *U of Nebraska Press*
Fortified with Yankee ingenuity and western can-do energy, the Moody family, transplanted from New England, builds a new life on a Colorado ranch early in the twentieth century. Father has died and Little Britches shoulders the responsibilities of a man at age eleven. *Man of the Family* continues true pioneering adventures as unforgettable as those in *Little Britches* and *The Fields of Home*, also available as Bison Books.

The Dry Divide *U of Nebraska Press*
Ralph Moody, just turned twenty, had only a dime in his pocket when he was put off a freight in western Nebraska. It

was the Fourth of July in 1919. Three months later he owned eight teams of horses and rigs to go with them. Everyone who worked with him shared in the prosperity?the widow whose wheat crop was saved and the group of misfits who formed a first-rate harvesting crew. But sometimes fickle Mother Nature and frail human nature made sure that nothing was easy. The tension between opposing forces never lets up in this book. Without preaching, *The Dry Divide* warmly illustrates the old-time virtues of hard work ingenuity, and respect for others. The Ralph Moody who was a youngster in *Little Britches* and who grew up without a father and with early responsibilities in *Man of the Family*, *The Fields of Home*, *The Home Ranch*, *Mary Emma & Company*, and *Shaking the*

Nickel Bush (all Bison Books) has become a man to reckon with in *The Dry Divide*.

***Shaking the Nickel Bush* U of Nebraska Press**

Begun in *Little Britches* and *Man of the Family*, this is the continuing saga of Ralph Moody. In 1918, young Moody and his buddy Lonnie travel through the Southwest in an old Ford named Shiftless, camp in an Arizona canyon and "shake the nickel bush" by sculpting busts of lawyers and bankers.

***Little Britches and the Rattlers* Marshall Cavendish**

As *Little Britches*, in her best attire, starts for the rodeo in town, she is waylaid by several rattlesnakes wanting

to do her harm, but with some quick thinking she finds a way to outsmart them all.

Kit Carson and the Wild Frontier *U of Nebraska Press*

The life of Kit Carson, legendary scout, mountain man, and Indian fighter of the Old West.

Horse of a Different Color

Reminiscences [sic] of a Kansas Drover *U of Nebraska Press*

Horse of a Different Color ends the "roving days" of young Ralph Moody. His saga began on a Colorado ranch in Little Britches and continued at points east and west in Man of the Family, The Fields of Home, The Home Ranch, Mary

Emma & Company, Shaking the Nickel Bush, and The Dry Divide. All have been reprinted as Bison Books.

Wells Fargo *U of Nebraska Press*

Presents the story of how Henry Wells and William Fargo went into express mail business in California and stopped the Post Office monopoly during the nineteenth century.

Man of the Family *Buccaneer Books*

Fortified with Yankee ingenuity and western can-do energy, the Moody family, transplanted from New England, builds a new life on a Colorado ranch early in the 20th century. Father has died and Little Britches shoulders the responsibilities of a man at age eleven. Continues the true pioneering

adventures as unforgettable as those in Little Britches. Illustrated.

The Pomegranate Seeds

The Pomegranate Seeds by Nathaniel Hawthorne. Nathaniel Hawthorne (July 4, 1804 - May 19, 1864) was an American

novelist, dark romantic, and short story writer. His works often focus on history, morality, and religion. He was born in 1804 in Salem, Massachusetts, to Nathaniel Hathorne and the former Elizabeth Clarke Manning. His ancestors include John Hathorne, the only judge from the Salem witch trials who never repented his involvement. He entered Bowdoin College in 1821, was elected to Phi Beta Kappa in 1824, and graduated in 1825. He published his first work in 1828, the novel *Fanshawe*; he later tried to suppress it, feeling that it was not equal to the standard of his later work. He published several short stories in periodicals, which he collected in 1837 as *Twice-Told Tales*. The next year, he became engaged to Sophia Peabody. He worked at the Boston Custom House and

joined Brook Farm, a transcendentalist community, before marrying Peabody in 1842. The couple moved to The Old Manse in Concord, Massachusetts, later moving to Salem, the Berkshires, then to The Wayside in Concord. The *Scarlet Letter* was published in 1850, followed by a succession of other novels. A political appointment as consul took Hawthorne and family to Europe before their return to Concord in 1860. Hawthorne died on May 19, 1864, and was survived by his wife and their three children. Much of Hawthorne's writing centers on New England, many works featuring moral metaphors with an anti-Puritan inspiration. His fiction works are considered part of the Romantic movement and, more specifically, dark romanticism. His themes often center on

the inherent evil and sin of humanity, and his works often have moral messages and deep psychological complexity. His published works include novels, short stories, and a biography of his college friend Franklin Pierce, the 14th President of the United States. Nathaniel Hawthorne was born on July 4, 1804, in Salem, Massachusetts; his birthplace is preserved and open to the public. William Hathorne, the author's great-great-grandfather, was a Puritan and the first of the family to emigrate from England. He settled in Dorchester, Massachusetts, before moving to Salem. There he became an important member of the Massachusetts Bay Colony and held many political positions, including magistrate and judge, becoming infamous for his harsh

sentencing. William's son and the author's great-great-grandfather John Hathorne was one of the judges who oversaw the Salem witch trials. Hawthorne probably added the "w" to his surname in his early twenties, shortly after graduating from college, in an effort to dissociate himself from his notorious forebears. Hawthorne's father Nathaniel Hathorne Sr. was a sea captain who died in 1808 of yellow fever in Dutch Suriname; he had been a member of the East India Marine Society. After his death, his widow moved with young Nathaniel and two daughters to live with relatives named the Mannings in Salem, where they lived for 10 years. Young Hawthorne was hit on the leg while playing "bat and ball" on November 10, 1813, and he became lame and

bedridden for a year, though several physicians could find nothing wrong with him. In the summer of 1816, the family lived as boarders with farmers before moving to a home recently built specifically for them by Hawthorne's uncles Richard and Robert Manning in Raymond, Maine, near Sebago Lake. Years later, Hawthorne looked back at his time in Maine fondly: "Those were delightful days, for that part of the country was wild then, with only scattered clearings, and nine tenths of it primeval woods." In 1819, he was sent back to Salem for school and soon complained of homesickness and being too far from his mother and sisters. He distributed seven issues of *The Spectator* to his family in August and September 1820 for the sake of having fun. The

homemade newspaper was written by hand and included essays, poems, and news.

Little Women and Little Men *Graphic Arts Books*

Not Every Girl *Lulu Press, Inc*

Not every girl is a modern pioneer raised in the backwoods. Katy King writes eloquently of her life growing up, poor in

material wealth, but rich in experience and humor. Her childhood was one that most kids can only dream of. But a life-changing experience at twelve left her an older and wiser young woman. Katy had to grow up in an instant, to become someone capable of making a life-and-death decision. Her carefree childhood is gone forever, but its magic lives on in this inspiring story. Sharing in her wisdom and life perspective is a joy. In the tradition of Ralph Moody's *Little Britches*, Katy King spins an episodic tale which will give you many chuckles and bring an occasional tear to your eye.
