Teaching Phonics Today: A Primer for Educators. Noting that the role of phonics in learning to read is hotly debated, this book speaks to educators who seek to establish sound instructional practice that values phonics as an important tool for understanding and using written language within a balanced, comprehensive program for reading and writing. It explains what phonics is and the controversy surrounding it, shows how changes in literacy instruction have influenced the teaching of phonics

ERIC - ED416457 - Teaching Phonics Today: A Primer for ...

While students are learning basic phonics, they will practice their new phonics skills by reading stories with a high percentage of easy phonetic words, such as "The cat is on the mat." After sufficient practice and mastery with the most common patterns, students will transition from phonetic readers

to books with a richer, more natural vocabulary.

How to Teach Phonics by Cheryl Lowe | Memoria Press

Now, the best way to start teaching your child phonics and phonemic awareness is through ear training. Develop the knowledge in them that every word is composed of individual units of sounds, or phonemes. Short sessions of a few minutes are all that you need to help develop this awareness in them. The key is consistency.
