Elegance By Kathleen Tessaro Cuiniaore

Kathleen Tessaro, *Elegance* (Morrow, 2003) There is a particular passage in the book-within-a-book *Elegance* that defines, in a far more eloquent way, something I've been trying to pinpoint about the major problem with the fashion industry, and a major problem with western culture in general.

Elegance by Kathleen Tessaro - Goodreads

This stands out from the pile because of Tessaro's use of a clever device- a real life tome from the 1960's on "Elegance" offering advice to women on how such a virtue could be achieved. Tessaro got permission to use this book centrally in her novel (and befriended the author). This provides a structure for her novel and it works extremely well.
