Weird Things:
Critical Thinking for**

a ...

Don't pay attention to
what others think. If
you're concerned with
your image, being
weird will not come
easy. You need to
abandon what others
expect of you and only
think about what feels
right to you. Your
reputation does not
matter – you are an
oddball now. Whether
you're an oddball or
not, it shouldn't matter
what others think.

...

Your first, mandatory step for controlling these weird thoughts is to accept them. You need to allow yourself to have those thoughts without worrying about what they mean, if you can control them, or what they say about you. Accept that your thoughts are caused by your anxiety, and they don't mean anything.
