Chapter summaries, contextual presentations and supportive materials to help students examine this novel F. Scott Fitzgerald's *The Great Gatsby* allows its readers to indulge in the world of the roaring 20s and face up to the realities of the American Dream. With themes of love, material excess and social division, it's no surprise that secondary students are captivated by this modernist novel.

### **The Great Gatsby collection | Tes**

Specific practices which are supported by good evidence of their effectiveness are also examined and six key factors that contribute to great teaching are identified. The report also analyses different methods of evaluating teaching including: using 'value-added' results from student test scores; observing classroom teaching; and getting students to rate the quality of their teaching.

### **What makes great teaching? - Sutton Trust**

Teaching would be easy if there were

clear recipes you could follow every time. The *Ingredients for Great Teaching* explains why this is impossible and why a one-size-fits-all approach doesn't work. Instead of recipes, this book examines the basic ingredients of teaching and learning so you can use them wisely in your own classroom in order to become a better and more effective teacher.
