Ncv Level 2 Mathematical Literacy Question Papers ...

This book is designed to provide educators with strategies for teaching students to express their mathematical thinking effectively—orally, with the use of representations, and in writing.

Successful literacy strategies, including word walls, modeling, shared writing and revision, and exemplars—strategies that show students how to talk about and write about math, rather than only assigning tasks that require it without having first taught students how to do it—will be closely examined.
