Illegal Fortunes by Sabrina Stark - Goodreads

I'm liking Jaked though to be totally honest, I don't think its as good as Sabrina's other books (Illegal Fortunes and Un/Rebelonging) Don't get me wrong its still a v good read and I probably would've give 5stars if I hadn't read the other books first but I think Luna is a bit wingy compared to the other main ladies although she still has sarcastic humour which is a big plus.
