v5.0 (3) Managing Safely – Assessment 4 Marking scheme Award one mark for each correct answer. The maximum mark for the complete assessment is 60; the minimum pass mark is 36. 3. Which two of the following are true? (Put a opposite the two statements you think are correct.) a) consequence is the outcome of the hazardous event

Managing Safely - Assessment 4

This led IOSH to drop the last module (module 8, environment) and they cut the course to 4 days. I agreed that this was the right approach, but it made the course tight to deliver, on a positive note for both employers, candidates and trainers. I do-not subscribe to the 3-day approach though, despite the new project being a lot easier to complete.

Managing Safely course duration - IOSH forums home

The first module makes it clear that managers are accountable for their teams, and makes a persuasive case for managing safely. 2. Assessing risks This module defines and demystifies "risk" and "risk assessment". Risk assessments and a simple scoring system are introduced, and delegates carry out a series of assessments. 3. Controlling risks
