Reasoning Rights Comparative Judicial Engagement

These differences, while partly influenced by institutional concerns, cannot be attributed to them alone. This book explores the diverse and rich underlying spectrum of human rights reasoning, as a distinctive and particular form of legal reasoning, evident in the case studies across the selected jurisdictions.

The chapter aims to adopt a comparative approach to the examination of this reasoning, through a detailed examination of similar human rights issues in a range of jurisdictions. The aim of the chapter is to examine the similarities and divergences in the reasoning developed by courts when addressing comparable human rights questions.
