The actual mysteries in the Bewitching Mystery series are often pushed to the wayside in order to focus on the more paranormal aspects of the series. In A Witch in Time, the mystery is still way in the background, but so is most of the witchy action. The focus of A Witch in Time seems to be romance and relationships.

A Witch In Time has all the elements that attract me to a book: witches, demons, past lives, reincarnation, and a cursed/doomed love. This book is about a human, a witch, and a demon stuck in a perpetual looped curse

that three of them have to relive in multiple lifetimes.

A Witch in Time by Constance Sayers - Goodreads

A Witch in Time is a debut novel that is exquisitely executed and very riveting. Constance Sayers crafts a beautiful, twisted, dark, tale of a woman cursed to relieve a tragic love life. It is a story that mixes time, magic, demons, and witches. I have to say that I thoroughly enjoyed my time reading this book.
