Recipes from the Night Kitchen

A Practical Guide to Spectacular Soups, Stews, and Chilies *Simon and Schuster*

Mealtime, anytime, nothing could be more satisfying than a bowl of homemade soup. Be it a steaming bowl of Minestrone to take the bite out of a winter day or a delicate Raspberry Lime

Soup for sultry summer nights when appetites are flagging, these eighty enticing recipes for soups, stews, and chilies are simple for even the novice cook, and creatively appealing to the experienced chef. Anyone with a deep pot and a ladle can make sumptuous meals of a rich Curried Chicken Stew or a refreshing chilled Breakfast Fruit Soup in about half an hour. From warm, comforting classics like Matzo Ball Soup, New England Clam Chowder, and Beef Stew to elegant meal openers like Carrot with Ginger Cream or Avocado Gazpacho, there's a taste for every season, a treat for every palate.

Bumble-Ardy *Harper Collins*

Since the publication of his classic *Outside Over There* in 1981, Maurice Sendak's book illustrations have focused on interpreting the texts of such authors as James Marshall, Tony Kushner, Wilhelm Grimm, Ruth Krauss, Herman Melville, and Mother Goose. And beginning in 1980, with his sets and costumes for *The Magic Flute*, Sendak launched a busy second career as the designer of stage productions of opera and ballet. Now comes *Bumble-Ardy*, the first book he has written as well as illustrated in thirty years. *Bumble-Ardy* has evolved from an animated segment for *Sesame Street* to a glorious picture book about a mischievous pig who reaches the age of nine without ever having a birthday party. But all that changes when *Bumble-Ardy* throws a party for himself and invites all his friends, leading to a wild masquerade that quickly gets out of hand. In this highly anticipated picture book, Sendak once again explores the exuberance of young children and the unshakable love between parent (in this case, an aunt) and child.

Outside Over There *Harper Collins*

With Papa off to sea and Mama despondent, Ida must go outside over there to rescue her baby sister from goblins who steal her to be a goblin's bride.

Fin M'Coul, the Giant of Knockmany Hill *Open Road Media*

An ALA Notable Children's Book *Fin's* wife saves him from the most feared giant in Ireland. This fixed-layout ebook, which preserves the design and layout of the original print book, features read-along narration by the author.

We Are All in the Dumps with Jack and Guy *Harper Collins*

We are all in the dumps For diamonds are thumps The kittens are gone to St. Paul's! The baby is bit The moon's in a fit And the houses are built Without walls Jack and Guy Went out in the Rye And they found a little boy With one black eye Come says Jack let's knock Him on the head No says Guy Let's buy him some bread You buy one loaf And I'll buy two And we'll bring him up As other folk do Two traditional rhymes from Mother Goose, ingeniously joined and interpreted by Maurice Sendak.

Kenny's Window *Harper Collins*

Kenny dreams of a fabulous land where he would like to live always, and in his search for it discovers many things about himself and about growing up. 'An unusual, imaginative story . . . in which reality blends with make-believe.' 'SLJ. 1956 Children's Spring Book Festival Honor Book (NY Herald Tribune)

There's a Mystery There

The Primal Vision of Maurice Sendak
Doubleday

An extraordinary, path-breaking, and penetrating book on the life and work and creative inspirations of the great children's book genius Maurice Sendak, who since his death in 2012 has only grown in his stature and recognition as a major American artist, period. Polymath and master interviewer Jonathan Cott first interviewed Maurice Sendak in 1976 for *Rolling Stone*, just at the time when *Outside Over There*, the concluding and by far the strangest volume of a trilogy that began with *Where The Wild Things Are* and *In the Night Kitchen*, was gestating. Over the course of their wide-ranging and revelatory conversation about his life, work, and the fantasies and obsessions that drove his creative process, they focused on many of the themes and images that would appear in the new book five years later. Drawing on that interview, *There's a Mystery There* is a profound examination of the inner workings of a complicated genius's torments and inspirations that ranges over the entirety of his work and his formative life experiences, and uses *Outside Over There*, brilliantly and originally, as the key to understanding just what made this extravagantly talented man tick. To gain multiple perspectives on that intricate and multifaceted book, Cott also turns to four "companion guides": a Freudian analyst, a Jungian analyst, an art historian, and Sendak's great friend and admirer, the playwright Tony Kushner. The book is richly illustrated with examples from Sendak's work and other related images.

Kitchen Dance *Houghton Mifflin Harcourt*

Two sleepy children sneak out of their beds to watch as their parents, who love each other very much, break into a dance while washing the dishes.

The Sign on Rosie's Door *Harper Collins*

There was a sign on Rosie's door that said, "If you want to know a secret, knock three times." Kathy, Rosie's good friend, knocked three times and learned the secret-that Rosie was no longer Rosie, but Alinda, the lovely lady singer. Adventures with Alinda were fun for Kathy and Sal and Pudgy and Dolly. Even Lenny, who occasionally didn't believe in Alinda, was delighted by the Fourth of July celebration that Alinda, with the help of the Magic Man, held. At the end of the celebration, Alinda was gone forever, and Rosie had returned, but she soon found something else nice to be. Maurice Sendak, the well-known artist and author-illustrator of *Kenny's Window* and *Very Far Away*, has written a story of real children, playing as only children know how. Young readers will wish that Alinda lived next door to them.

Voracious

A Hungry Reader Cooks Her Way through Great Books *Little, Brown*

AN IRRESISTIBLE LITERARY FEAST Stories and recipes inspired by the world's great books As a young bookworm reading in her grandfather's butcher shop, Cara Nicoletti saw how books and food bring people to life. Now a butcher, cook, and talented writer, she serves up stories and recipes inspired by beloved books and the food that gives their characters depth and personality. From the breakfast sausage in Laura Ingalls Wilder's *Little House in the Big Woods* to chocolate cupcakes with peppermint buttercream from Jonathan Franzen's *The Corrections*, these books and the tasty treats in them put her on the road to happiness. Cooking through the books that changed her life, Nicoletti shares fifty recipes, including: The perfect soft-boiled egg in Jane Austen's *Emma* Grilled peaches with homemade ricotta in tribute to Joan Didion's "Goodbye to All That" New England clam chowder inspired by Herman Melville's *Moby-Dick* Fava bean and chicken liver mousse crostini (with a nice Chianti) after Thomas Harris's *The Silence of the Lambs* Brown butter crêpes from Gillian Flynn's *Gone Girl* Beautifully illustrated, clever, and full of heart, *Voracious* will satisfy anyone who loves a fantastic meal with family and friends-or curling up with a great novel for dessert.

SHAN HAI JING—A BOOK COVERED WITH BLOOD

The Story Of Developers Of The Catalog Of Human Population *HPA Press*

In essence, this story is about how a certain person was searching his bookshelf for something to read and in the end found a book, which turned out to be the source, from which it is possible to obtain absolutely any kind of information about absolutely any person. Meaning, information to the smallest particulars and details about what his or her qualities of personality are, how he or she lives, what he or she really wants to achieve, what he or she hides, and much more. And, it does not matter, if the subject is some person, who lived in the distant past or lives in the present or someone, who will live in the future. Since, as it turned out later on, this literary monument is nothing other than the Catalog of human population. In other words, the encyclopedia of Homo sapiens; in essence, the same as encyclopedias, reference books for specialists, which contain complete information about representatives of a particular subspecies of animals, plants, etc. Although at some point, the course of this story turned banal: "bad guys" from security services, intelligence services, politics decided to not only use this source of knowledge for their dirty deeds, but also to appropriate it solely for their personal use. And, the way they tried to do this is also banal: by physically destroying the author of discovery of the Catalog of human population and all of his colleagues. However, the ending of this story makes it stand out from the category of ordinary spy stories. At least because the main characters of this story managed to survive not due to favorable concatenation of circumstances or someone's help, but thanks to that knowledge, which they discovered in the ancient text, which turned out to be the Catalog of human population. Of course,

such an outcome upset and continues to upset not only the Russian special services, but also all those people in whose way developers of the Catalog of human population got. And, in this civilization, there are countless numbers of such people: from psychologists (who become no longer needed by anyone) to organizers of this civilization themselves. Since from the standpoint of the Catalog of human population—technogenic civilization without a human, which they lovingly built for many centuries, is simply trash, to put it mildly, and beneath all criticism. And, they themselves are also trash. However, regular people, who (thanks to the scientific discovery made by Andrey Davydov) got the source with answers to all of their questions and individual recipes, now no longer need to pay "experts on the human soul" for being shamelessly fooled. Therefore, whoever tries to kill developers of the Catalog of human population in the future must know that it is no longer possible, as they already became part of history of humanity. After all, at the current stage of development, a Homo sapiens has only one possibility to continue to live after death, to live through the ages: in the product that he/she created. And, those, who tried and continue to try to kill them, were nobodies and will remain nobodies, who one day will cease to exist without leaving a trace. As for organizers of this "civilization"—maybe instead of trying to find new recipes to destroy "excess billions" and trying to examine human potential using Neanderthal methods, it would be more reasonable not only to find out the recipe of how to make Homo sapiens a 100% controllable producer and consumer from the source (which, by the way, seems to have been left to

humanity by creators of nature and a human on this planet), but also how to build a civilization without quotes? After all, it only seems to them that they are the main deceivers, while in reality they were fooled, and fooled majorly.

Presto and Zesto in Limboland *Red Fox*

My Brother's Book *HarperCollins*

Fifty years after *Where the Wild Things Are* was published comes the last book Maurice Sendak completed before his death in May 2012, *My Brother's Book*. With influences from Shakespeare and William Blake, Sendak pays homage to his late brother, Jack, whom he credited for his passion for writing and drawing. Pairing Sendak's poignant poetry with his exquisite and dramatic artwork, this book redefines what mature readers expect from Maurice Sendak while continuing the lasting legacy he created over his long, illustrious career. Sendak's tribute to his brother is an expression of both grief and love and will resonate with his lifelong fans who may have read his children's books and will be ecstatic to discover something for them now. Pulitzer Prize-winning literary critic and Shakespearean scholar Stephen Greenblatt contributes a moving introduction.

Illustrated Italian Cookbook

Get Out of My Kitchen! *Createspace Indie Pub Platform*

MALVINA BERTONATI is a chef and owner of a traditional Italian restaurant "Da Malvina" in one of the most popular seaside tourist destinations: Bonassola, right next to the famous Cinque Terre in Liguria, Italy. She has been cooking with passion for the last 40 years and she received a national award for her tasty, healthy and traditional cuisine. She was knighted for her services to the industry. ALINKA RUTKOWSKA just happened to pass by and fall in love with Malivna's cuisine. She was always very curious about what was going on in the restaurant kitchen but what she heard from Malvina most often was "fuori dalla mia cucina!", meaning "get out of my kitchen!". She obeyed until once she decided that even a complete cooking analphabetic like herself could at least try to replicate the masterpieces being created in Malvina's kitchen. With a pen, paper, camera and Malvina's blessing she compiled the amazing recipes and over 300 photographs into this book.

Karl's Story *Createspace Independent Publishing Platform*

With an uncanny relevance to today's world and inspired by the life of its author, *Karl's Story*, is a WW II child refugee's tale of resilience, hope and courage as told through the narrative of her beloved teddy bear, Karl. A story perfect for all ages: read to children by parents, grandparents and teachers alike. It has been read many times to middle elementary grades. A book to be handed down from parent to child to child for generations to come. Karl, "a very old teddy bear," has a magic gift- he can tell stories to children who are still young enough to understand toy talk. *Karl's Story* begins in Europe. It's about Karl, the young girl Karin, and Mimi the mind reading cat, ... how the three friends experience and survive WW II and then escape from communism to a new and hope-filled life with his beloved

friend Karin. Their journey, their story, enchants children but in the sense of *The Little Prince* speaks timelessly to adults as well. *Karl's Story* tells of European refugees and is as relevant today as then. The chaos of the time turned the world of the three friends upside down, slowly at first, from no more whipped cream at birthday parties to ever more frequent air raids, crashing bombs, and a harrowing train ride, with Karl and Mimi stuffed in Karin's old wicker trunk. In the journey Karin loses all she ever knew or loved, but goes on to rebuild her world in America. The book is categorized as Children's Fiction because of its charming cover and talking stuffed animals but is inspirational to young and old alike, and a perfect antidote in these still troubled times; this is indeed a book for all.

Spice and Little Sugar *M&M Ink*

Having a little sister isn't always a picnic. Older sisters may feel jealous of the time taken away from them, the toys they have to share, and the attention focused on the youngest member of their family. Getting along is often a day-to-day battle, but what can parents do to make this situation easier and to help children realize how special it is to have a sister? In *Spice & Little Sugar*, the delightful new children's book about sibling rivalry, authors Megan Waldrep and Melissa Nelson show big sisters the big benefits, responsibilities, and absolute joys of their role. Told in a whimsical rhyme that children will love to read aloud, *Spice & Little Sugar* first humorously relates all the ways Little Sugar gets on Spice's nerves, from grabbing her favorite toys to sticking to her like glue when Spice wants to be left alone. But gradually Spice comes to realize that Little Sugar does have her good points, including

sticking up for her when she gets in trouble with their parents and saving the day with her cute face. Parents will love the warm, gentle lessons the book teaches about understanding how positives can outweigh negatives, and kids will laugh at the playful illustrations and funny story. The perfect book for siblings, *Spice & Little Sugar* can be read and enjoyed by the whole family, time and time again.

A Time Travel Historical Fiction Mystery Book for Children Ages 5-10

Createspace Independent Publishing Platform

The adventure of a lifetime is only one click away! Sid Cooper, a fifth grade history buff, gets the chance of a lifetime to visit the Taj Mahal in the enchanted land of India. After a setback and a change in plans, Sid and his friend Raj are magically transported... 350 years into the past, to when the monument was still being built. Things get crazier when they encounter Emperor Shah Jahan, who is furious because precious gems crucial to the completion of the Taj Mahal are missing. The excitement of actually becoming a part of history fuels their sense of adventure and they decide to find the gem thief, but there's just one problem. Even if Sid and Raj find the missing gems needed to complete the Taj, how will they get back to the present? In *Missing Gems of the Taj Mahal*, author Lyndon Cerejo transports young readers on a magical journey. The sights and sounds of ancient India come alive in a beautiful tapestry that both

educates and entertains. They can follow along as Sid and Raj try to save history - and themselves - while learning all about the history of the Taj Mahal, as well as the efforts to preserve this wonder of the modern world. Aside from fascinating recent pictures, Sid's journey comes to life with beautiful illustrations by fifth grader Ananya Chopra. She's a lot like Sid - friendly, adventurous, and unwilling to let anything stop her from pursuing her dreams. Your young reader will feel the same way after reading this book. And as the first book in the *Mysteries in History* series, they can learn about the Taj Mahal and one of the oldest civilizations on Earth before taking a journey across the globe in future books. So let your child open their minds and their hearts to this exciting tale... as a magical land of adventure awaits.

Lilly's family has an extraordinary secret, one they have kept for four generations. Lilly's proud to be different and special. At Halloween she's happy to stay at home and cast spells with her mum and her Grandmother rather than go out trick or treating like the other kids. At 12 years old, she thinks she knows it all. But then Lilly becomes unsettled by odd events, like seeing the sinister man in the white shoes staring at her while she walks the dogs, and then local children start to go missing. When her mum doesn't come back from one of her regular night-time jaunts, Lilly's grandmother thinks it's time to tell her the whole story. Lilly has second thoughts about whether her family's secret is a blessing, or a curse...

Her Happy Ever After

Book Three of the Love's Territory Series *Createspace Independent Publishing Platform*

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's

just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

Psychoanalytic Responses to Children's Literature *McFarland*

With the growing emphasis on theory in literary studies, psychoanalytic criticism is making notable contributions to literary interpretation. Sixteen chapters in this work explore the psychological subtexts of such important children's books as Carlo Collodi's *Pinocchio*, Roald Dahl's *James and the Giant Peach*, Kenneth Grahame's *The Wind in the Willows*, Louise Fitzhugh's *Harriet the Spy*, Mark Twain's *The Prince and the Pauper*, and E.B. White's *Charlotte's Web*. Drawing on the ideas of such psychoanalytic theorists as Sigmund Freud, Alice Miller, D.W. Winnicott and Jacques Lacan, it analyzes the psychological development of characters, examines reader responses, and studies the lives of authors and illustrators such as Beatrix Potter and Jessie Willcox Smith.
