Sex And World Peace Sex

Sex and World Peace diminishes traditional assumptions and factually breaks them down showing that they hinder the progression of the state or nation. At the same time, it provides a multitude of ways to make small-scale differences to impact the world and enforce peace globally. 1.

Sex and World Peace | Freedom and Citizenship

Throughout the world the message is the same: men are superior and therefore entitled to do what they will to women, ranging from the extreme of femicide in Guatemala to sexual harassment in the halls of the United States Congress. The authors make a compelling case that the world will not know peace until male-female equality is the global norm.
