Kill All Enemies

"Kill All Enemies" is the second Melvin
 Burgess book that I have read and, much

Set in Leeds, England, KILL ALL ENEMIES was one of the most INTENSE YA novels I have ever read. The novel is told by four different narrators, Billie, Chris, Rob, and Hannah (an adult case worker who shares her perspective on the other three). Billie is a young girl who has been forced to grow up way too fast.

Mario Judah - Kill all the Enemies*

Lyrics | Genius Lyrics

Kill All Enemies is an incredible insight into the minds, emotions and overwhelming vulnerability of 3 very ordinary teenagers, all written off as losers, no-hopers. It's brilliant to see that Burgess is back doing what he does best; giving a voice to the disenfranchised and misunderstood, exposing and explaining (but never excusing) what makes outwardly difficult teenagers behave the way they do.
