Jeep Grand Cherokee Limited 2011

Fiat has had a majority share in Chrysler and Jeep since 2009 and the two American brands are starting to feel the benefit. This Grand Cherokee was launched in 2011 and has a good foundation,

sharing the same chassis and engines as the Mercedes-Benz ML. Add in good equipment levels, keen pricing plus decent performance and the Grand Cherokee has plenty of appeal.

Review: Jeep Grand Cherokee (2011) | Honest John

Trim levels run from Predator through Limited to the plush Overland range-topper. All Grand Cherokee models were covered by the comprehensive Jeep warranty scheme, which provided a three-year/60,000 mile mechanical warranty, seven-year anti-corrosion warranty and 12 months European roadside assistance.
