Simplify Your Life by Relaxation and Meditation on Amazon ...

Zen meditation is a little different than others. In Zen, the emphasis is on just sitting. That's it. Just sit. Sit still, let your mind do it's crazy monkey thing, and work with it. No complicated chants or mantras. Just sit there. I was deeply attracted to the simplicity of the Zen tradition which has its roots in China and Japan.

Getting some of the daily, weekly and monthly work of your life into an automated system can help simplify life and relieve stress in two ways: You don't have to take time to do the work and you

don't have to clutter your mind by remembering to do the work. Making little changes that take steps out of your daily routine like setting up automatic timers to water your plants or turn off your lights, signing up for automatic bill pay options or getting off junk mail lists can be an easy way ...

How to Simplify Your Life and Reduce Stress

Simplify your life. Be simple and in tune with Nature. I urge you to, if you like, ask me questions later. Not today, but after you have sort of criticized me, chastised me, called me names in your minds. And then you come to some sort of a realization that after all that old Indian, what he said does mean something to me.
