The most significant thing in speech act is the message that speaker wants to convey. It means when using language is not only produces a sentence but also perform an action.

An Analysis of Speech Act Used in London Has Fallen Movie ...

After this introductory survey of the componential analysis of the speech act as a model for describing strategies in verbal interaction I wish to turn to the central theme of this paper, i.e., verbal irony, which, from a pragmatist point of view, represents a particular kind of strategy, since it needs to be described both at the propositional and the illocutionary level of the speech. My starting-point for the present study is a typological comparison between three different kinds of irony.
