M A Due Diligence

Due diligence is a process of verification, investigation, or audit of a potential deal or investment opportunity to confirm all relevant facts and financial information, and to verify anything else that was brought up during an M&A deal or investment process. Due diligence is completed before a deal closes.

Due Diligence - Overview of Due Diligence in an M&A ...

The goal of due diligence in the M&A process is for Buyer to confirm Seller's financials, contracts, customers, and all other pertinent information. In other words, the goal is to make Buyer comfortable enough that he goes through with the deal and closes. Buyers often have other partners (usually banks or private equity firms) who are providing some of the financing and have stricter requirements than the Buyer does.

The M&A Due Diligence Process - dummies

Human capital due diligence: a blueprint for success In a seller's market, transactions are fast-paced; deals are closed with less information than is ideal, and the risks are high. In a buyer's market, risk is weighed more carefully. Private equity and strategic buyers have significantly different requirements around due diligence.

M&A Due Diligence | Mercer

Aspects of M&A Due Diligence Of course, no two acquisitions are the same, so the due diligence process will vary from one situation to the next. In general, however, there are up to five types of due diligence that will need to be completed as part of the process.
