A religious corporation is a type of religious non-profit organization, which has been incorporated under the law. Often these types of corporations are recognized under the law on a subnational level, for instance by a state or province government. The government agency responsible for regulating such corporations is usually the official holder of records, for instance the Secretary of State. In the United States, religious corporations are formed like all other nonprofit corporations by filing

Charitable Organizations Law - Definition. A charitable organization is a type of non-profit organization (NPO). The term is relatively general and can technically refer to a public charity (also called "charitable foundation," "public foundation" or simply "foundation") or a private foundation. It differs from other types of NPOs in that its

focus is centered around goals of a general philanthropic nature (e.g. charitable, educational, religious, or other activities serving the public ...

United States non-profit laws relate to taxation, the special problems of an organization which does not have profit as its primary motivation, and prevention of charitable fraud. Some non-profit organizations can broadly be described as "charities" — like the American Red Cross. Some are strictly for the private benefit of the members — like country clubs, or condominium

associations. Others fall somewhere in between — like labor unions, chambers of commerce, or cooperative electric ...

### **Non-profit organization laws in the U.S. - Wikipedia**

For federal tax purposes, an organization is exempt from taxation if it is organized and operated exclusively for religious, charitable, scientific, public safety, literary, educational, prevention of cruelty to children or animals, and/or to develop national or international sports.
