The Heart Has Its Reasons *Simon and Schuster*

Declared “a writer to watch” (Publishers Weekly, starred review), New York Times bestselling author María Dueñas pours heart and soul into this story of a woman who discovers the power of second chances. A talented college professor in Madrid, Blanca Perea seems to have it all. But her world is suddenly shattered when her husband of twenty years leaves her for another woman. Questioning the life she once had and whether she truly knows herself, Blanca resolves to change her surroundings. She accepts what looks like a boring research grant in California involving an exiled

Spanish writer who died decades ago. Anxious to leave her own troubled life behind, she is gradually drawn into his haunted world, with its poignant loves and unfulfilled ambitions. But in delving into the past, Blanca finds herself simultaneously awakened to the present by Daniel Carter, a charismatic professor with crucial knowledge about the dead writer that he has never before revealed. Amid this web of passion, conflict, and hidden feelings, including her own, Blanca advances like an avid detective, refusing to quit, and ultimately discovers startling answers that resonate deeply in her own life. Evocative, lyrical, and humorous, The Heart Has Its Reasons is a journey of the soul from the pangs of the past to the vibrant present. It is a story about the thrill of creating one's life anew.

The Heart Has Its Reasons

The Duchess writes of her first two marriages, her divorce, her escape from the abdication publicity, and her marriage to Edward VIII.

Pascal's Pensées *tredition*

This book is part of the TREDITION CLASSICS series. The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again - worldwide. At tredition we believe that a great book never goes out of style. Several mostly non-profit literature projects provide content to tredition. To support their good work, tredition donates a portion of the proceeds from each sold copy. As a reader of a TREDITION CLASSICS book, you support our mission to save many of the amazing works of world literature from oblivion.

The Heart Has Its Reasons *Scarecrow Press*

Society does not make it easy for young people, regardless of their sexual orientation, to find accurate, nonjudgmental information about homosexuality. It makes it even more difficult for young homosexuals to find positive role models in fiction either written or published expressly for them or - if published for adults - relevant to them and their lives. This book examines these issues and critically evaluates the body of literature published for young adults that offers homosexual themes and characters.

The Heart Has Its Reasons *Wipf and Stock Publishers*

This book explores a hitherto neglected area of theological anthropology: the unity of human emotionality and rationality embodied in the biblical concept of the heart. While the theological contours of human reason have for long been clearly drawn and presented as the exclusive seat of the image of God, affectivity has been relegated to a secondary position. With the reintegration of the body into recent philosophical and theological discourses, a number of questions have arisen: if the image (also) resides in the body, how does this change one's view of the theological significance of human affectivity? In what way is our likeness to God realized in the whole of what we are? Can one overcome the traditional dissociation between intellect and affectivity by a renewed theory of love? In conversation with patristic and medieval authors (e.g., Irenaeus, Tertullian, Gregory of

Nyssa, Maximus, Aquinas) and in dialogue with more recent interlocutors (Pascal, Ricoeur, Marion, Milbank, John Paul II), this work pursues a novel theological vision of the essential unity of our humanity.

The Heart Has Its Own Reasons *New Amer Library*

Stresses the importance of the mother-child relationship, gives advice on working at home, and shares suggestions on how to save money on food, clothing, and household expenses

The Duchess of Windsor

Diana Mosley is the last intimate friend of the Duchess of Windsor still alive. In this revised and updated biography, she addresses the latest allegations of secret service reports about the Windsors' conduct during the war and the abdication. A new chapter has been added.

The Heart Has Its Reasons *Katha*

Set in the first quarter of 20th century Delhi, The Heart Has Its Reasons dwells on the fine balance between love and family. Writer par excellence and recipient of the Katha Chudamani and Sahitya Akademi Awards, Sobti's powerful narratives defy territorial specifics.

The Heart Has Its Reasons *Covenant Communications*

The Heart Has Its Reasons *Independently Published*

This is not a story about love but life. Obsessive love blinds the senses while the heart controls the body in search of its desperate longing.

The Heart Has Its Reasons

The Heart Has Its Reasons *Simon and Schuster*

When her longtime marriage abruptly ends in the wake of her husband's infidelity, Madrid college professor Blanca Perea struggles to rebuild her own life by researching that of an enigmatic Spanish writer who died decades earlier. By the best-selling author of *The Time in Between*. 75,000 first printing.

The Heart Has Its Reasons *ISD LLC*

The Heart Has Its Reasons explores a hitherto neglected area of theological anthropology: the unity of human emotion and reason embodied in the Biblical concept of the heart. While the theological contours of human rationality have long been clearly drawn and presented as the exclusive seat of the image of God, affectivity has been relegated to a secondary position. With the reintegration of the body into recent philosophical and theological discourses, a number of questions have arisen: if the image (also) resides in the body, how does this change one's view of the theological significance of human affect? In what way is our likeness to God realised in the whole of what we are? Can one overcome the traditional dissociation between intellect and affect by a renewed theory of love? In

conversation with patristic and medieval authors like Irenaeus, Tertullian, Gregory of Nyssa, Maximus, and Thomas Aquinas, and in dialogue with more recent interlocutors such as Blaise Pascal, Ricoeur, Marion, Milbank, and John Paul II, Beata Toth pursues a novel theological vision of the essential unity of our humanity.

The Rocky Road of Love *Createspace Independent Publishing Platform*

This instructive and immensely readable book by Arjuna Schulenburg, aka Swami Abhedananda, provides a significant contribution to a successful relationship, not least in its philosophical and spiritual presentation. Based on timeless teachings and his own experience, Arjuna offers practical advice to a fresh understanding of our human nature with intriguing and provoking solutions. This book covers teachings on Love, Ethics, Sex, Inner Management and Meditation providing direction for dealing with situations in daily life. The first chapters of the book present incidents and reflections of how a broken relationship has impacted our life and the shock it inflicted. The subsequent chapters give absorbing Practices and Principles to enable the reader to acquaint him with the depth of the "why" and "how" which one has to grasp in order to have a purpose in life and a successful relationship.

The Heart Has Its Reasons of Which Reason Knows Nothing. -Blaise Pascal

Reasons of the Heart *P & R Publishing*

In this book William Edgar gives us a full-orbed view of explaining the gospel in ways that reach the entire person - not only the head but the heart. His strategies are biblical and human, addressing the deep ways of knowing that go beyond a dry rationalism. *Reasons of the Heart* is for all who long to make a compelling argument for the good news of Jesus Christ.

The Heart's Code *Harmony*

A fascinating synthesis of ancient wisdom, modern medicine, scientific research, and personal experiences that proves that the human heart, not the brain, holds the secrets that link body, mind, and spirit. You know that the heart loves and feels, but did you know that the heart also thinks, remembers, communicates with other hearts, helps regulate immunity, and contains stored information that continually pulses through your body? In *The Heart's Code*, Dr. Paul Pearsall explains the theory and science behind energy cardiology, the emerging field that is uncovering one of the most significant medical, social, and spiritual discoveries of our time: The heart is more than

just a pump; it conducts the cellular symphony that is the very essence of our being. Full of amazing anecdotes and data, *The Heart's Code* presents the latest research on cellular memory and the power of the heart's energy and explores what these breakthroughs mean about how we should live our lives. By unlocking the heart's code we can discover new ways of understanding human healing and consciousness and create a new model for living that leads to better health, happiness, and self-knowledge.

The Heart Has Its Reasons *CreateSpace*

The Heart Has Its Reasons, Looking Back Looking Ahead. What if we could look ahead while still looking back? What if hard-won insight was ours to use when we needed it? This short book puts such possibilities within our reach. In a series of brief articles, the author explains important thoughts in relating to God, oneself and others. These insights, gained with age and experience, nudge us to find a new path. Then the rest of our journey becomes transforming. With God back in the center, others in their rightful place, and we striving harder, our relationships could regain the luster they once had. The heart, the seat of love, looks back to learn lessons and looks ahead in hope. When lessons of the past become sentinels for the future, we gain peace and joy. To attain that state we must learn to open our hearts to God and others. The theme on the heart throbs in the two parts of the book: One, Love yourself and bleed for others; two, Love God above all else. Twenty-two chapters, a Prologue and an Epilogue resonate the theme. Here are some titles: * Reflections on the year gone by * Does evil serve a purpose? * Does pain heal? * How do we respond to those who offend us? * A crusade for healing * Why do we treat God so badly? The author does not stop at asking questions. In a simple and direct style he answers them - without preaching. Journey with him to look upon a new horizon! Praise for the book: "The thoughts are of Christian inspiration and stimulating, the language is mellifluous and racy, and the book makes pleasant reading. This is a valuable book that can surely help the interested reader towards betterment of self and society." Dr George Kaitholil, Author and Former General Editor of St. Pauls and Better Yourself Books.

Head and Heart *Templeton Foundation Press*

Theologians and religious figures often draw a distinction between religion of the "head" and religion of the "heart," but few stop to ask what the terms "head" and "heart" actually denote. Many assume that this distinction has a scriptural basis, and yet many Biblical authors used the word "heart" as a synonym for "mind." In fact, there isn't a strict separation of the two concepts until the modern period, as in Pascal's famous claim that "the heart has its reasons that reason can not know." Since then, many other philosophers and theologians have made a similar distinction. The fact that this distinction has been so persistent makes it an important area of study. *Head and Heart: Perspectives from Religion and Psychology* takes an inter-disciplinary approach, linking the thinking of theologians and philosophers with theory and research in present-day psychology. The tradition of using framing questions that have been developed in theology and philosophy can now be brought into dialogue with scientific approaches developed within cognitive psychology and neuroscience. Though these scientific approaches have not generally used the terms "head" and

"heart," they have arrived at a similar distinction in other ways. There is a notable convergence upon the realization that humans have two modes of cognition at their disposal that correspond to "head" and "heart." The time is therefore ripe to bring the approaches of theology and science in to dialogue—an important dialogue that has been heretofore neglected. *Head and Heart* draws on the unique expertise in relating theology and psychology of the University of Cambridge's Psychology and Religion Research Group (PRRG). In addition to providing historical and theoretical perspectives, the contributors to this volume will also address practical issues arising from the group's applied work in deradicalisation and religious education. Contributors include Geoff Dumbreck, Nicholas J. S. Gibson, Malcolm Guite, Liz Gulliford, Russell Re Manning, Glendon L. Moriarty, Sally Myers, Sara Savage, Carissa A. Sharp, Fraser Watts, Harris Wiseman, and Bonnie Poon Zahl.

A Wrinkle in Time *GENERAL PRESS*

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

Hope Has Its Reasons *InterVarsity Press*

Rebecca Manley Pippert invites you to join her on a journey exploring the region between faith and unbelief where hope and doubt mingle. Citing freely from her own experiences she addresses the big questions of life including questions about our significance, meaning, love, life and truth.

The Reasons of Love *Princeton University Press*

This beautifully written book by one of the world's leading moral philosophers argues that the key to a fulfilled life is to pursue wholeheartedly what one cares about, that love is the most authoritative form of caring, and that the purest form of love is, in a complicated way, self-love. Harry Frankfurt writes that it is through caring that we infuse the world with meaning. Caring provides us with stable ambitions and concerns; it shapes the framework of aims and interests within which we lead our

lives. The most basic and essential question for a person to raise about the conduct of his or her life is not what he or she should care about but what, in fact, he or she cannot help caring about. The most important form of caring, Frankfurt writes, is love, a nonvoluntary, disinterested concern for the flourishing of what is loved. Love is so important because meaningful practical reasoning must be grounded in ends that we do not seek only to attain other ends, and because it is in loving that we become bound to final ends desired for their own sakes. Frankfurt argues that the purest form of love is self-love. This sounds perverse, but self-love--as distinct from self-indulgence--is at heart a disinterested concern for whatever it is that the person loves. The most elementary form of self-love is nothing more than the desire of a person to love. Insofar as this is true, self-love is simply a commitment to finding meaning in our lives.

Blaise Pascal Quotes *Createspace Independent Publishing Platform*

Blaise Pascal All human evil comes from a single cause, man's inability to sit still in a room. Blaise Pascal All men's miseries derive from not being able to sit in a quiet room alone. Blaise Pascal All of our reasoning ends in surrender to feeling. Blaise Pascal As men are not able to fight against death, misery, ignorance, they have taken it into their heads, in order to be happy, not to think of them at all. Blaise Pascal Atheism shows strength of mind, but only to a certain degree. Blaise Pascal ... And much more! Click Add to Cart and Enjoy!"

Drinking Occasions *Routledge*

The main purpose of this book is to describe the variety of drinking occasions that exist around the world, primarily in modern, industrialized countries. As such, it celebrates the diversity of normal drinking behavior and illustrates a wide range of beneficial drinking patterns. Attention is also paid to the relations between drink and culture that prevail in non-Western societies and in developing countries. The aims of the book are twofold: to deal directly with the challenge of how to define responsible drinking in the face of the world's many different drinking styles, and to portray the many ways in which people have thought about or used alcohol as an integral part of their culture

Faith Has Its Reasons

"Faith Has Its Reasons" shows readers how struggles, heartache, and tears can transform from a nightmare into a ministry. This book contains the encouragement to take the first steps out of grief

and climb the mountain out of the valley of the shadow of death. This book will also inspire those that may question heaven. A child's amazing visits to heaven gave him the courage to tell others about Jesus. His bravery and boldness after dying and losing his father will open your eyes to how God can use an unthinkable tragedy for His glory. If you have endured a catastrophic loss and questioned God, this book will show you how to persevere and find happiness again.

Read Me Like a Book *Candlewick Press*

In her first novel for young adults, New York Times best-selling author Liz Kessler tells a story about finding a kindred spirit and becoming your true self. Ashleigh Walker is a mediocre student with an assortment of friends, a sort-of boyfriend, and no plans for the future. Then a straight-from-college English teacher, Miss Murray, takes over Ash's class and changes everything. Miss Murray smiles a lot. She shares poetry with curse words in it. She's, well, cool. And she seems to really care about her students. About Ashleigh. For the first time, Ash feels an urge to try harder. To give something — someone — her best. Before she knows it, Ashleigh is in love. Intense, heart-racing, all-consuming first love. It's strong enough to distract her from worrying about bad grades and her parents' marriage troubles. But what will happen if Miss Murray finds out Ashleigh is in love with her?

The Heart Has Its Reasons

Pensees *Penguin UK*

Blaise Pascal, the precociously brilliant contemporary of Descartes, was a gifted mathematician and physicist, but it is his unfinished apologia for the Christian religion upon which his reputation now rests. The *Pensees* is a collection of philosophical fragments, notes and essays in which Pascal explores the contradictions of human nature in psychological, social, metaphysical and - above all - theological terms. Mankind emerges from Pascal's analysis as a wretched and desolate creature within an impersonal universe, but who can be transformed through faith in God's grace.

The Heart Has Its Reasons

The Body Has Its Reasons *Inner Traditions / Bear & Co*

Gentle "anti-exercises" help develop the body's freedom of movement, release constraints, and reawaken dormant muscles. By using the appropriate energy for each techniques, relief can be found for a multitude of ills. At the same time senses can be awakened and perceptions sharpened.

A Fine Balance *McClelland & Stewart*

A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances - and their fates - become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, A Fine Balance is a vivid, richly textured,

and powerful novel written by one of the most gifted writers of our time.

Making Spaces *Routledge*

This book argues for the value and application of psychoanalytic thinking beyond, as well as within, the consulting room. Inspired by a Scottish psychoanalytic tradition that owes much to W.R.D. Fairbairn and J.D. Sutherland, the Scottish Institute of Human Relations has provided a valuable reference point for the work described in the book. It illustrates how the coming together of human beings into a shared space fosters opportunities to create loving, collaborative relationships in which to work and from which to grow. The book's first section explores how psychoanalytic thinking developed in Scotland, while section two focuses on work with children, families and couples, showing how psychoanalytic perspectives can be used to strengthen capacities for loving relationships. The chapters in section three show how psychoanalysis can be applied in such varied settings as psycho-social research, education, institutional development and organisational consultancy. The fourth section pursues this theme further, considering the potential of psychoanalytic concepts to enhance work in religious ministry, in medical and psychiatric services, and in understanding the processes of ageing.

Slave to Love: The Heart Has Its Reasons *Lulu Press, Inc*

This is not a "Love Story" but a Story about Love and Life. When our bodies are at height, we encounter a place of serenity and nothing matters but love! The obsession of her lover drove them apart; Forcing Jewel to run from the overwhelming passion that took her whole adulthood to overcome.....

Slave to Love *Lulu Publishing Services*

This is not a ""Love Story"" but a Story about Love and Life. When our bodies are at height, we encounter a place of serenity and nothing matters but love! The obsession of her lover drove them apart; Forcing Jewel to run from the overwhelming passion that took her whole adulthood to overcome.....

Haunting Paris *Anchor*

Paris, 1989: Alone in her luminous apartment on Île Saint-Louis, Sylvie discovers a mysterious letter among her late lover Julien's possessions, launching her into a decades-old search for a child who vanished in the turbulence of the Second World War. She is unaware that she is watched over by Julien's ghost, his love for her powerful enough to draw him back to this world, though doomed now to remain a silent observer. Sylvie's quest leads her deep into the secrets of Julien's past, shedding new light on the dark days of Nazi-occupied Paris. A timeless story of love and loss, Haunting Paris matches emotional intensity with lyrical storytelling to explore grief, family secrets, and the undeniable power of memory.

First and Last Things *Routledge*

Part meditation, part commonplace book, First and Last Things is an attempt by a writer of great

distinction and strong convictions to take stock of his beliefs and values. Here, Richard Hoggart considers the big questions without shortchanging readers with easy answers. He examines problems (as he sees them) of faith; the mysterious origins of conscience; the importance of family and friends; the value of literature; the nature of memory; and the need, in old age, to find some value in existence. To these issues, and many others, the author brings a lifetime of rich experience and a mind well stocked with the best that has been written by those who have gone before. What emerges above all in this work is Richard Hoggart's love of, almost obsession with, quotations from great authors, especially, of course, Shakespeare. He muses on the business of capitalism and democracy, noting a reluctant conclusion that democracy is the least worst form of government, and that capitalism is its inevitable partner, but one which democratic societies should treat with "a very long spoon." He argues that market and consumer driven societies are inevitably led to relativism, head-counting, and populism. The result is a book that is introspective without being self-absorbed, that is thought-provoking but never preaching, that is, profound without being portentous. First and Last Things is a work that the young should read, if only to discover how much there is still to understand, and one that the old will treasure.

The Heart Has Its Reasons

Representing the Rainbow in Young Adult Literature *Rowman & Littlefield*

Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction, particularly in literature aimed at young adult audiences. But young readers, regardless of their sexual orientation, don't always know what books offer well-rounded portrayals of queer characters and situations. Fortunately, finding positive role models in fiction that features LGBTQ+ themes has become less problematic, though not without its challenges. In *Representing the Rainbow in Young Adult Literature: LGBTQ+ Content since 1969*, Christine Jenkins and Michael Cart provide an overview of the literary landscape. An expanded version of *The Heart Has Its Reasons*, this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ+ readers but with their allies as well. In this resource, Jenkins and Cart identify titles that are notable either for their excellence—accurate, thoughtful, and tactful depictions—or deficiencies—books that are wrongheaded, stereotypical, or outdated. Each chapter has been significantly updated, and this edition also includes new chapters on bisexual, transgender, and intersex issues and characters, as well as chapters on comics, graphic novels, and works of nonfiction. This book also features an annotated bibliography and a number of author-title lists of books discussed in the text that will aid teachers, librarians, parents, and teen readers. Encompassing a wider array of sexual identities, *Representing the Rainbow in Young Adult Literature* is an invaluable resource for young people eager to read about books relevant to them and their lives.

The Heart Has Its Reasons *Arrow*

Romantic adventure set in provincial France during the aftermath of the Revolution, about a sixteen-year-old who discovers the truth about her Revolutionary fantasies and the qualities of her husband.
