This Year It Will Be Different

And Other Stories *Dell*

From the New York Times bestselling author of Circle of Friends and The Glass Lake comes This Year It Will Be Different, a stunning new work that brings us the magic and spirit of Christmas in fifteen stories filled with Maeve Binchy's trademark wit, charm, and sheer storytelling genius. Instead of nostalgia, Binchy evokes contemporary life; instead of Christmas homilies, she offers truth; and instead of sugarplums, she brings us the nourishment of holidays that precipitate change, growth, and new beginnings. In "A Typical Irish Christmas," a grieving New York widower heads for a holiday in Ireland and finds an unexpected destination not just for himself, but for a father and daughter at

odds. The title story "This Year It Will Be Different" also delves into the emotions of a person at mid-life--a woman with a complacent husband and grown children who are entering a season that can forever alter her life, and theirs. In "Pulling Together," a teacher not yet out of her twenties sees her affair with a married man at a turning point as Christmas Eve approaches--and she may be off on a new direction with some unusual friends. And in the delightful tale "The Hard Core," the four most recalcitrant residents of a nursing home are left alone at Christmas with the owner's daughter in charge: the result is sure to be disaster--or the kind of life-affirming renewal that only the spirit of the season can bring. The stories in This Year It Will Be Different powerfully evoke many lives--step-families grappling with ex's, long-married couples faced with in-law problems, a wandering husband choosing between "the other woman" and his wife, a child caught in grown-up tugs-of-war--during the one holiday when feelings cannot be easily hidden. The time of year may be magical, imbued with meaning. But the situations are universal. And Maeve Binchy makes us care about them all. As the Philadelphia Inquirer noted, "Maeve Binchy's people come to life fully. They make you laugh and cry and disturb your sleep." They do precisely that in this extraordinary collection, on the night before Christmas when we are snug in our beds, or anywhere, any time of the year.

As the Wicked Watch

The First Jordan Manning Novel *HarperCollins*

The first in a thrilling new series from Emmy Award-winning TV Host and Journalist Tamron Hall, As The Wicked Watch follows a reporter as she unravels the disturbing mystery around the deaths of

two Black girls; the work of a serial killer terrorizing Chicago. When crime reporter Jordan Manning leaves her hometown in Texas to take a job at a television station in Chicago, she’s one step closer to her dream: a coveted anchor chair on a national network. Jordan is smart and aggressive, with unabashed star-power, and often the only woman of color in the newsroom. Her signature? Arriving first on the scene—in impractical designer stilettos. Armed with a master’s degree in forensic science and impeccable instincts, Jordan has been able to balance her dueling motivations: breaking every big story—and giving a voice to the voiceless. From her time in Texas, she’s covered the vilest of human behaviors but nothing has prepared her for Chicago. Jordan is that rare breed of a journalist who can navigate a crime scene as well as she can a newsroom—often noticing what others tend to miss. Again and again, she is called to cover the murders of Black women, many of them sexually assaulted, most brutalized, and all of them quickly forgotten. All until Masey James—the story that Jordan just can’t shake, despite all efforts. A 15-year-old girl whose body was found in an abandoned lot, Masey has come to represent for Jordan all of the frustration and anger that her job often forces her to repress. Putting the rest of her work and her (fraying) personal life aside, Jordan does everything she can to give the story the coverage it desperately requires, and that Black children rarely receive. Jordan is convinced that there’s a serial killer on the loose and he’s hiding in plain sight.

The Farewell meets Erin Entrada Kelly's Blackbird Fly in this empowering middle grade memoir from debut author Waka T. Brown, who takes readers on a journey to 1980s Japan, where she was sent as a child to reconnect to her family’s roots. When twelve-year-old Waka’s parents suspect she can’t understand the basic Japanese they speak to her, they make a drastic decision to send her to Tokyo to live for several months with her strict grandmother. Forced to say goodbye to her friends and what would have been her summer vacation, Waka is plucked from her straight-A-student life in rural Kansas and flown across the globe, where she faces the culture shock of a lifetime. In Japan, Waka struggles with reading and writing in kanji, doesn’t quite mesh with her complicated and distant Obaasama, and gets made fun of by the students in her Japanese public-school classes. Even though this is the country her parents came from, Waka has never felt more like an outsider. If she’s always been the “smart Japanese girl” in America but is now the “dumb foreigner” in Japan, where is home...and who will Waka be when she finds it?

For readers who want the twist in the tale to be as elegant as a well-tied cravat, it would be criminal to miss The Affair of the Thirty-Nine Cufflinks.

From Little Tokyo, with Love *Penguin*

One of PEOPLE Magazine's Best Books of Summer! "I absolutely adored this funny, fierce, big-hearted book." —Morgan Matson, New York Times bestselling author of Save the Date Celebrated author Sarah Kuhn reinvents the modern fairy tale in this intensely personal yet hilarious novel of a girl whose search for a storybook ending takes her to unexpected places in both her beloved LA neighborhood and her own guarded heart. If Rika's life seems like the beginning of a familiar fairy tale—being an orphan with two bossy cousins and working away in her aunts' business—she would

be the first to reject that foolish notion. After all, she loves her family (even if her cousins were named after Disney characters), and with her biracial background, amazing judo skills and red-hot temper, she doesn't quite fit the princess mold. All that changes the instant she locks eyes with Grace Kimura, America's reigning rom-com sweetheart, during the Nikkei Week Festival. From there, Rika embarks on a madcap adventure of hope and happiness—searching for clues that Grace is her long-lost mother, exploring Little Tokyo's hidden treasures with cute actor Hank Chen, and maybe . . . finally finding a sense of belonging. But fairy tales are fiction and the real world isn't so kind. Rika knows she's setting herself up for disappointment, because happy endings don't happen to girls like her. Should she walk away before she gets in even deeper, or let herself be swept away?

The Road Vintage

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.
