**What is the difference between terminology and lexicology?**

Author established a methodology of describing terminology of languages for special purposes (LSPs) in a two-language situation; regularities of terminology translation; and applications for teaching LSP translation.

**Foundations of Terminology and Translation | Fiona Citkin**

The principal topics include text corpora, citation patterns, some challenging dichotomies, terminology and knowledge management, and specialist translation. Each topic is presented in one of five parts, each with its own introduction. ... Modern trends in the pedagogy of specialised translation: LSP, text typology and the use of IT tools. ...

**Evidence-based LSP**

As the biography and bibliography compiled by Blaise Nkweni-Azeh shows, after some years as a language trainer, Sager became a leading figure in the fields of terminology and lexicography, language for special purposes (LSP) and translation, as well as a passionate supporter of the use of computers in all these areas. By inviting papers in each of these domains, the editor has certainly succeeded in emphasizing the amazing breadth and driving spirit of Sager's work.
