Power Struggle: The Hundred-year War Over Electricity ...

The Hundred Years' War was an intermittent struggle between England and France in the 14th-15th century. At the time, France was the richest, largest, and most populous kingdom of western Europe, and England was the best organized and most closely integrated western European state. They came into conflict over a series of issues, including disputes over English territorial possessions in France and the legitimate succession to the French throne.
