Agricultural Land Redistribution Toward Greater

Abstract The main focus of this book is land redistribution. To
forge greater consensus among practitioners of land reform, and
to enable them to make better choices among the many options,
the book describes and analyzes alternative broad paths of
implementation, using examples and the detailed implementation
mechanisms that were used in those examples.

agricultural land redistribution toward greater consensus ...

Despite 250 years of land reform all over the World, important
land inequalities remain, especially in Latin America and
Southern Africa. While in these countries, there is near consensus
on the need for redistribution, much controversy persists around
how to redistribute land peacefully and legally, often blocking
progress on implementation. This book focuses on the "how" of
land redistribution in order to forge greater consensus among
land reform practitioners and enable them to make better ...
