UCLA Language Materials Project - Wikipedia

Authentic materials provide your students with, well, authentic language. By dealing with authentic texts, our learners are grappling with real language in a real-life context. These texts don't include the watered down, prescriptively correct language of the coursebook, and in fact, authentic texts

can be messy because they reflect the real usage of the language. This is the reason it's such a good idea to use authentic texts in the classroom.
