Are bank employees central government employees? - Quora

Nationalisation of banks means to take the banks under government undertaking. Banks after nationalisation comes directly under

Banking regulation Act 1949. We often get confused when it comes to the number of nationalised banks in India and many of us include the SBI (State Bank Of India) in the list of nationalised banks.

How many nationalised banks are there in India? - Quora

Nationalization, or nationalisation, is the process of transforming privately owned assets into public assets by bringing them under the public ownership of a national government or state. Nationalization usually refers to private assets or to assets owned by lower levels of government being transferred to the state. The opposites of

nationalization are privatization and demutualization. When previously nationalized assets are privatized and subsequently returned to public ownership at a later s

Nationalization - Wikipedia

The UK government owns a stake of 62% of NatWest Group's ordinary shares, but the bank remains nominally independent of government. The retail and commercial banking markets are dominated by HSBC, Barclays, Lloyds Banking Group, NatWest Group and Spanish-owned Santander UK (most of these companies operate more than one banking brand in the UK).
