Paul and the Religious Experience of Reconciliation ...

The context of Paul's vocation reveals a religious disintegration and the unraveling dynamic of a spiritual experience. The term religious typically implies an experience that is lived within the framework of a belief system, whereas the term spiritual relates to an experience that can also occur outside the boundaries of an established religion. Paul's pharisaic background and calling make his experience both religious and spiritual in the sense that his calling shattered the boundaries ...

Paul Weller - Our staff - University of Derby

A religious experience (sometimes known as a spiritual experience, sacred experience, or mystical experience) is a subjective experience which is interpreted within a religious framework. The concept originated in the 19th century, as a defense against the growing rationalism of Western society. William James popularised the concept.. Many religious and mystical traditions see religious ...
