Marantz 2252B receiver - Service Manual Free Download

I have a 2252B and it is a brilliant sounding receiver. I've owned something like 8 marantz receivers and this is one of the best sounding. Mine is a 1977 model and it is a bit "cleaner" sounding than the earlier 70s units, and perhaps not quite as warm. Plenty

of power and worthy of critical listening with high end speakers, particularly after a recap!
