About OSHA | Occupational Safety and Health Administration

The terms 'occupational health' ('OH') and 'health and safety' (H&S) can be confusing. They are both very important but are often mistaken for each other, and both encompass a wide range of activities, which overlap with each other to a certain degree. Incorrectly, H&S can conjure up potentially negative images for some, associated with the perception in some quarters of overly-stringent health and safety rules.
