Public man, private woman: women in social and political ...

It has successfully moved the debate beyond the traditional 'public' man / 'private' woman dichotomy. By the force of their argument, feminists have shown that the division between 'private' woman and 'public' man is designed to prevent feminine values and women's issues entering the political process.

Feminism: Public and Private Sphere | Politics | tutor2u

Mapping political/ apolitical and male/ female onto the public/private divide encourages silence on boundaries of the political within the public sphere. It fails to address the political nature of the private, and implies that women are defined exclusively by the private sphere and men not at all.
