Performing the Art of Language Learning: Deepening the ...

Performing arts are an essential method of communication and learning, and are strongly linked to language. We perceive the world through the senses, and the arts allows us to understand (observe), explore and experiment, and express ourselves:

Performing arts (interacting with others)

Performing arts refers to forms of art in which artists use their voices, bodies or inanimate objects to convey artistic expression. It is different from visual arts, which is when artists use paint, canvas or various materials to create physical or static art objects. Performing arts include a range of disciplines which are performed in front of a live audience, inducing theatre, music, and dance.

Performing arts - Wikipedia

Every performing art — acting, singing, dancing, playing an instrument — places the performer on a stage in front of an audience. Every one, that is, except literary translation, the performing of a literary work in a different language. Every performing art has hundreds of books about the people who do it, about its history, its pains and ...
