And if you ever need assistance locating the best book, our knowledgeable personnel is right here to provide personalized referrals.

Main Street

The Story of Carol Kennicott *New York : Harcourt, Brace and Howe*

"This is America-a town of a few thousand, in a region of wheat and corn and dairies and little groves." So Sinclair Lewis-recipient of the Nobel Prize and rejecter of the Pulitzer-prefaces his novel *Main Street*. Lewis is brutal in his depictions of the self-satisfied inhabitants of small-town America, a place which proves to be merely an assemblage of pretty surfaces, strung together and ultimately empty.

Main Street *The Floating Press*

Carol Milford is an exuberant, liberal-hearted woman who marries a man from a small town. After they marry they settle in his home-town, Gopher Prairie, which Carol finds narrow and ugly. She throws herself into reforming the town, but is met only with derision by her own class. She decides to leave, but finds that the world outside is just as flawed as Gopher Prairie. She remains uncowed, however, declaring "I do not admit that dish-washing is enough to satisfy all women!"

Main Street *Courier Corporation*

In this classic satire of small-town America, beautiful young Carol Kennicott comes to Gopher Prairie, Minnesota, with dreams of transforming the provincial old town into a place of beauty and culture. But she runs into a wall of bigotry, hypocrisy and complacency. The first popular bestseller to attack conventional ideas about marriage, gender roles, and small town life, *Main Street* established Lewis as a major American novelist.

Main Street

The Story of Carol Kennicott *Penguin*

Sinclair Lewis's barbed portrait of Gopher Prairie, Minnesota, shattered the myth of the American Middle West as God's Country and became a symbol of the cultural narrow-mindedness and smug complacency of small towns everywhere. A Penguin Classic At the center of *Main Street* is Carol Kennicott, the wife of a town doctor, who dreams of initiating social reforms and introducing art and literature to the community. The range of reactions when it was published in 1920 was extraordinary, reflecting the ambivalence in the novel itself and Lewis's own mixed feelings about his hometown of Sauk Centre, Minnesota, the prototype for Gopher Prairie. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Sinclair Lewis: *Main Street and Babbitt (LOA #59) Springer Science & Business*

Two of Lewis' novels depict the hypocrisy and complacency of middle-class America

Sinclair Lewis

Rebel from Main Street *Minnesota Historical Society*

Written at the height of his power in the 1920s, the three novels in this volume continue the rigorous unmasking of American middle-class life begun by Lewis in "*Main Street*" and "*Babbitt*."

The Vanishing of Katharina Linden

A Novel *Delacorte Press*

BONUS: This edition contains an excerpt from Helen Grant's *The Glass Demon*. After Pia's grandmother dies in a freak accident, the neighbors in her little German hometown of Bad Münstereifel glance at Pia with wary eyes. But then something else captures the community's attention: the vanishing of Katharina Linden. Katharina was last seen at a parade, dressed as Snow White. Then, like a character in a Grimm's fairy tale, she disappeared. Ten-year-old Pia and her only friend, the unpopular StinkStefan, suspect that Katharina has been spirited away by the supernatural. Their investigation is inspired by such local legends as that of Unshockable Hans, visited by witches in the form of cats, or of the knight whose son is doomed to hunt forever. Then another girl vanishes, and Pia is plunged into a new and unnerving place, one far away from fairy tales—and perilously close to adulthood.

Main Street

"Main Street" tells the tale of a big-city girl who marries a physician and settles in a small town in the Midwest, only to fall victim to the narrow-mindedness and unimaginative natures of the town's residents. Introduction by Thomas Mallon. Copyright © Libri GmbH. All rights reserved.

Free Air *Cosimo Classics*

Long before Jack Kerouac penned his famous American roadtrip epic, Sinclair Lewis wrote what may in fact be the seminal work of the genre. This cheerful little road novel, published in 1919, is about Claire Boltwood, who, in the early days of the 20th century, travels by automobile from New York City to the Pacific Northwest, where she falls in love with a nice, down-to-earth young man and gives up her snobbish Estate.

The Minnesota Stories of Sinclair Lewis *Minnesota Historical Society*

Sinclair Lewis, the first American to win the Nobel Prize for Literature, applied subversive satire and razor wit in his portrayals of American life. Born and raised in Sauk Centre, Minnesota, he was one of the earliest writers to attack the myth of the noble, happy, American small town. *Main Street*, which he described as his "first novel to rouse the embattled peasantry," was praised and reviled--and immensely popular. This initial success was followed by such accomplished books as *Babbitt*, *Arrowsmith*, *Elmer Gantry*, and *Dodsworth*, classics that today hold a prominent place in the American canon. Among the best of Lewis's works were short stories that he wrote for the popular magazines of the day. *The Minnesota Stories of Sinclair Lewis* collects the finest of these stories, acerbic tales set in Minnesota that reflect his favorite themes: local boosterism, the plight of strong women, native fascism, the grip of materialism. Lewis inserts himself as a character in two tales: he travels to *Main Street*'s Gopher Prairie, where he talks to Dr. Will Kennicott, and to *Babbitt*'s Zenith, where George Babbitt gives him a piece of his mind. Two of these stories have never been published, and six have not been reprinted since they first appeared. Wickedly funny and surprisingly fresh, these stories offer a unique look at one of the most important American writers of the twentieth century.

The Job *Read Books Ltd*

This early work by Sinclair Lewis was originally published in 1917 and we are now republishing it with a brand new introductory biography. Sinclair Lewis was born in Sauk Centre, Minnesota, USA in 1885. A lonely and socially awkward child, Lewis tried unsuccessfully to run away from home, before entering Yale

University in 1903. It was here that, in the *Yale Courant* and the *Yale Literary Magazine*, Lewis had his first works – mostly romantic poetry and short sketches – published. In 1920, while living in Washington D.C., Lewis had his first major success with the novel *Main Street*. Selling around two million copies within a few years, it catapulted Lewis into fame and riches, and he followed it with the critically acclaimed *Babbitt* (1922), and *Arrowsmith* (1925) – for which he received, but refused, the Pulitzer Prize.

Kingsblood Royal *Prabhat Prakashan***A Good Indian Wife: A Novel** *W. W. Norton & Company*

"An absorbing tale of contrasts...Cherian tells the story with quiet strength." —San Francisco Chronicle Handsome anesthesiologist Neel is sure he can resist his family's pleas that he marry a "good" Indian girl. With a girlfriend and a career back in San Francisco, the last thing Neel needs is an arranged marriage. But that's precisely what he gets. His bride, Leila, a thirty-year-old teacher, comes with her own complications. They struggle to reconcile their own desires with others' expectations in this story of two people, two countries, and two ways of life that may be more compatible than they seem.

Grant Wood's Main Street

Art, Literature and the American Midwest *Brunnier Art Museum University Art Museums Iowa State Univer*

The Death and Life of Main Street**Small Towns in American Memory, Space, and Community** *UNC Press Books*

For more than a century, the term "Main Street" has conjured up nostalgic images of American small-town life. Representations exist all around us, from fiction and film to the architecture of shopping malls and Disneyland. All the while, the nation has become increasingly diverse, exposing tensions within this ideal. In *The Death and Life of Main Street*, Miles Orvell wrestles with the mythic allure of the small town in all its forms, illustrating how Americans continue to reinscribe these images on real places in order to forge consensus about inclusion and civic identity, especially in times of crisis. Orvell underscores the fact that *Main Street* was never what it seemed; it has always been much more complex than it appears, as he shows in his discussions of figures like Sinclair Lewis, Willa Cather, Frank Capra, Thornton Wilder, Margaret Bourke-White, and Walker Evans. He argues that translating the overly tidy cultural metaphor into real spaces--as has been done in recent decades, especially in the new urbanist planned communities of Elizabeth Plater-Zyberk and Andres Duany--actually diminishes the communitarian ideals at the center of this nostalgic construct. Orvell investigates the way these tensions play out in a variety of cultural realms and explores the rise of literary and artistic traditions that deliberately challenge the tropes and assumptions of small-town ideology and life.

Our Mr. Wrenn: The Romantic Adventures of a Gentle Man *DigiCat*

This is a coming-of-age story of Mr. Wrenn, an employee of a novelty company, who quits his job after inheriting a fortune from his father and decides to go on a voyage to Europe. A brief story on how the leading character, Mr. Wrenn, changes his life around. This story is also a window into the minds of the prewar people from 1910's New York. Any tired businessman will find just the

right cure for exhaustion in 'Our Mr. Wrenn' Sinclair Lewis became the first writer from the United States to receive the Nobel Prize in Literature, which was awarded "for his vigorous and graphic art of description and his ability to create, with wit and humor, new types of characters." He used the pseudonym Tom Graham for his earlier books. *Our Mr. Wrenn: The Romantic Adventures of a Gentle Man* is the first novel published under his real name and also his first serious novel.

Babbitt *Xist Publishing*

A Novel that Stood the Test of Time "But I do know that about ten times as many people find their lives dull, and unnecessarily dull, as ever admit it; and I do believe that if we busted out and admitted it sometimes, instead of being nice and patient and loyal for sixty years, and then nice and patient and dead for the rest of eternity, why, maybe, possibly, we might make life more fun." - Sinclair Lewis, *Babbitt* Although it was first published in 1922, *Babbitt* reveals the flaws of our modern society. Are money going to make us happy? Is social status such an important aspect in our lives? Can't we just live in the moment? Asked some 90 odd years ago, these same questions haunt the Western society to this day. Can George F. Babbitt find the answer? This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

Main Street *Signet Classics*

A novel of life in a quiet Midwestern town exposes the complacency and hypocrisy there

Main Street and Empire

The Fictional Small Town in the Age of Globalization *American Literatures Initiativ*

"The small town has become a national icon that circulates widely in literature, culture, and politics as an authentic American space and community. Yet there are surprisingly few critical studies that analyze the small town's centrality to the United States' identity and imagination. In *Main Street and Empire*, Ryan Poll addresses this need, arguing that the small town, as evoked by the image of "Main Street," is not a relic of the past but rather a metaphorical screen upon which America's "everyday" stories and subjects are projected on both a national and global scale. Bringing together a broad selection of texts--from Thornton Wilder's *Our Town*, Grace Metalious's *Peyton Place*, and Peter Weir's *The Truman Show* to the speeches of William McKinley, Ronald Reagan, Sarah Palin, and Barack Obama--Poll examines how the small town is used to imagine and reproduce the nation throughout the twentieth- and into the twenty-first century. He contends that the dominant small town, despite its innocent, nostalgic appearance, is central to the development of the U.S. empire and global capitalism." -- Publisher description.

Dodsworth

A Novel

God, Guns, Grits, and Gravy *St. Martin's Press*

The New York Times, USA Today, Wall Street Journal, and

Publishers Weekly bestseller from a presidential candidate for the 2016 election! In *God, Guns, Grits and Gravy*, Mike Huckabee asks, "Have I been taken to a different planet than the one on which I grew up?" The New York Times bestselling author explores today's fractious American culture, where divisions of class, race, politics, religion, gender, age, and other fault lines make polite conversation dicey, if not downright dangerous. As Huckabee notes, the differences of opinion between the "Bubble-villes" of the big power centers and the "Bubba-villes" where most people live are profound, provocative, and sometimes pretty funny. Where else but in Washington, D.C. could two presidential golf outings cost the American taxpayers \$2.9 million in travel expenses? Government bailouts, politician pig-outs, and popular culture provocations from Jay-Z and Beyoncé to Honey Boo-Boo to the Duck Dynasty's Robertson family. Gun rights, gay marriage, the decline of patriotism, and the mainstream media's contempt for those who cherish a faith-based life. The trouble with Democrats, the even bigger trouble with Republicans, our national security complex, and how our Constitution is eroding under our noses. Reflections on our way of life as it once was, as it is, and as it might become...these subjects and many more are covered with Mike Huckabee's signature wit, insight, and honesty.

The Willow Walk *Good Press*

"The Willow Walk" by Sinclair Lewis. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

THE Arrowsmith: Pulitzer Prize Novel *E-Artnow*

Arrowsmith is a novel by American author Sinclair Lewis, which won him the Pulitzer Prize ...which Lewis declined. *Arrowsmith* is an early major novel dealing with the culture of science. It was written in the period after the reforms of medical education flowing from the Flexner Report on Medical Education in the United States and Canada: A Report to the Carnegie Foundation for the Advancement of Teaching, 1910, which had called on medical schools in the United States to adhere to mainstream science in their teaching and research. The actual story deals with trials and tribulations of Martin Arrowsmith, a brilliant doctor and scientist who wants to conquer the plague virus from spreading. But the price comes at a very heavy cost. A must read!

From Here to Eternity

A Novel *Dial Press Trade Paperback*

Selected by the Modern Library as one of the 100 best novels of all time THE COMPLETE UNCENSORED EDITION • THE WORLD WAR II MASTERPIECE AS IT WAS MEANT TO BE READ • WINNER OF THE NATIONAL BOOK AWARD Diamond Head, Hawaii, 1941. Pvt. Robert E. Lee Prewitt is a champion welterweight and a fine bugler. But when he refuses to join the company's boxing team, he gets "the treatment" that may break him or kill him. First Sgt. Milton Anthony Warden knows how to soldier better than almost anyone, yet he's risking his career to have an affair with his commanding officer's wife. Both Warden and Prewitt are bound by a common bond: The Army is their heart and blood—and, possibly, their death. This new edition features an Afterword by

George Hendrick, a James Jones scholar, who discusses the novel's origin and eventual censorship at the hands of its first publisher. Now the original language has at last been restored to the most important American novel to come out of World War II. From Here to Eternity re-creates the authentic soldier experience and captures, like nothing else, the honor and savagery of man. Foreword by William Styron "A work of genius."—Saturday Review "Extraordinary and utterly irresistible . . . a compelling and compassionate story."—Los Angeles Times "A blockbuster of a book . . . raw and brutal and angry."—The New York Times "Ferocious . . . the most realistic and forceful novel I've read about life in the army."—The New Yorker

Hike and the Aeroplane

Main Street

By Sinclair Lewis - Illustrated

How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Illustrated About Main Street by Sinclair Lewis Main Street is a satirical novel written by Sinclair Lewis, and published in 1920. Carol Milford is a liberal, free-spirited young woman, reared in Saint Paul, Minnesota, the state capital. She marries Will Kennicott, a doctor, who is a small-town boy at heart. When they marry, Will convinces her to live in his home-town of Gopher Prairie, Minnesota, a town modeled on Sauk Centre, Minnesota, the author's birthplace. Carol is appalled at the backwardness of Gopher Prairie. But her disdain for the town's physical ugliness and smug conservatism compels her to reform it. She speaks with its members about progressive changes, joins women's clubs, distributes literature, and holds parties to liven up Gopher Prairie's inhabitants. Despite her friendly but ineffective efforts, she is constantly derided by the leading cliques. She finds comfort and companionship outside her social class, but these companions are taken from her one by one.

Personality Plus: Some Experiences of Emma McChesney and Her Son, Jock Good Press

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Kingsblood Royal Createspace Independent Publishing Platform

A neglected tour de force by the first American to win the Nobel Prize in literature, Kingsblood Royal is a stirring & wickedly funny portrait of a man who resigns from the white race. When Neil Kingsblood a typical middle-American banker with a comfortable life makes the shocking discovery that he has African-American blood, the odyssey that ensues creates an unforgettable portrayal of two Americas, one black, one white. As timely as when it was first published in 1947, one need only open today's newspaper to see the same issues passionately being discussed between blacks & whites that we find in Kingsblood Royal, says Charles Johnson. Perhaps only now can we fully appreciate Sinclair Lewis's astonishing achievement

Arrowsmith Prabhat Prakashan

First published in 1925, 'Arrowsmith' is a novel by American author Sinclair Lewis. It is arguably the earliest major novel to deal with the culture of science. It was written in the period after the reforms of medical education flowing from the Flexner Report on Medical Education in the United States and Canada: A Report to the Carnegie Foundation for the Advancement of Teaching, 1910, which had called on medical schools in the United States to adhere to mainstream science in their teaching and research.

Elmer Gantry e-artnow

Elmer Gantry is a novel that presents aspects of the religious activity of America in fundamentalist and evangelistic circles and the attitudes of the 1920s public toward it. The novel's protagonist, the Reverend Dr. Elmer Gantry, is initially attracted by booze and easy money (though he eventually renounces tobacco and alcohol) and chasing women. After various forays into evangelism, he becomes a successful Methodist minister despite his hypocrisy and serial sexual indiscretions.

Ann Vickers Bison Books

Ann Vickers, a strong-minded prison superintendent, dedicates herself to social reform while seeking to fulfill herself as a sexual being.

From Main Street to Stockholm

Letters of Sinclair Lewis, 1919-1930

Chiefly correspondence between Lewis and Alfred Harcourt concerning publication of Lewis's books.

Babbitt & Main Street e-artnow

Babbitt by Sinclair Lewis is a satirical novel about American culture and society that critiques the vacuity of middle-class life and the social pressure toward conformity. The controversy provoked by Babbitt was influential in the decision to award the Nobel Prize in literature to Lewis in 1930. The word "Babbitt" entered the English language as a "person and especially a business or professional man who conforms unthinkingly to prevailing middle-class standards". Main Street is a satirical novel written by Sinclair Lewis, and published in 1920 and was nominated for Pulitzer Prize in 1921. It tells the story of Carol Milford, a woman of ambition and unconventional thinking, who is determined to change the Main Street into a better place.

Between War and Peace

A Handbook for Peace Workers

A Study Guide for Sinclair Lewis's Main Street Gale, Cengage Learning

Sinclair Lewis Remembered University of Alabama Press

Sinclair Lewis Remembered is a collection of reminiscences and memoirs by contemporaries, friends, and associates of Lewis that offers a revealing and intimate portrait of this complex and significant Nobel Prize-winning American writer. After a troubled career as a student at Yale, Sinclair Lewis turned to literature as his livelihood, publishing numerous works of popular fiction that went unnoticed by critics. With the 1920s, however, came Main Street, Lewis's first critical success, which was soon followed by Babbitt, Arrowsmith, Elmer Gantry, and Dodsworth—five of the most influential social novels in the history of American letters, all written within one decade. Nevertheless, Lewis's Nobel Prize for Literature in 1930 led to controversy. Writers such as Theodore Dreiser, William Faulkner, and Thomas Mann expressed their

dissent with the decision. Unable to match his previous success, Lewis suffered from alcoholism, alienated colleagues, and embraced unpopular political positions. The nadir for Lewis's literary reputation was Mark Schorer's 1961 biography, *Sinclair Lewis: An American Life*, which helped to legitimize the dismissal of Lewis's entire body of work. Recent scholarly research has seen a resurgence of interest in Lewis and his writings. The multiple and varied perspectives found in *Sinclair Lewis Remembered*, edited by Gary Scharnhorst and Matthew Hofer, illustrate uncompromised glimpses of a complicated writer who should not be forgotten. The more than 115 contributions to this volume include reminiscences by Upton Sinclair, Edna Ferber, Alfred Harcourt, Samuel Putnam, H. L. Mencken, John Hersey, Hallie Flanagan, and many others.

A New England Tale *Good Press*

"A New England Tale" by Catharine Maria Sedgwick. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Pied Piper *Hachette Books*

A wave of babynappings has terrified parents from San Diego to Portland. And when the Pied Piper--named for the penny flute he leaves in the cribs of his victims--claims his first Seattle infant, the investigation draws in homicide detective Lou Boldt. Assigned temporarily to Intelligence so he can spend more time with his

kids while his wife is hospitalized for chemotherapy, Boldt's role is to keep the FBI out of the Seattle Police Department's way. But FBI special agent Gary Flemming is a tough adversary--so tough it almost seems as if he's intentionally sabotaging the SPD's investigation. Then the Pied Piper snatches Boldt's own daughter, promising that unless Boldt throws both the Feds and the SPD off his trail he'll never see his child again. Caught between his professional obligations and his fear for Sarah's life, Boldt launches his own private manhunt with the help of John La Moia, his replacement in homicide, and police psychologist Daphne Matthews, his closest friend in the department. They form a sub rosa task force under the noses of the Feds and the SPD, and soon discover how the Piper has managed to stay a step ahead of the police, elude capture, and find his small victims. The chase moves from Seattle to Portland to New Orleans, culminating in a thrilling denouement in the daffodil fields of Washington's Skagit Valley. Combining strong characterizations with an impressive command of both policing and pacing, Ridley Pearson, author of *Chain of Evidence* and *Beyond Recognition*, delivers another sure winner in this outing for Lou Boldt. --Jane Adams

World So Wide *Good Press*

"World So Wide" by Sinclair Lewis. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read.
